Welcome to our College

The educational wing of SKD Group added another feather to its cap in 1997 by establishing SKD Academy Inter College. Within a span of 27 years, the academy has grown up with its five branches - U.P. Board, ISC Board, Junior High School Branch, CBSE Board (10+2) (Vikrant Khand-3, Gomti Nagar) & Vrindavan Branch. These have made a great impact on the society by imparting quality education to thousands of students desirous of becoming highly qualified professionals.

The quality of education imparted in the Academy can be easily judged with the 100% result achieved by the school every year in the High School and Intermediate result of UP, ISC and CBSE Board Examinations. The students have brought glory by attaining top ranks at the state level in UP Board High School & Intermediate Examinations.

A new landmark has been set into SKD's glorious journey when it has started Teacher's Training College (B.Ed Course from academic session 2016), Degree Courses (B.Com.) from July 2017 and (B.Sc. - ZBC) July 2018 onwards at Vrindavan Branch.

The college has always been conscious of its role as a constructive and responsible part of the society. Utmost attention is given to the overall development of students through Co-Curricular and Extra-Curricular activities. In spite of phenomenally large number of students, the standard of discipline is well maintained. The student-teacher relation remain absolutely cordial. The college also provides professional / personal counselling to the students. Our institution's main objective is to link academic education with job opportunities.

Overall consistent and unstinting efforts of the College are borne out by the fact that students enter the college as uncertain and bewildered but leave its portals as much more confident and focused. They are ready to lead successful lives of their own thereby enhancing the upliftment of the society.

SKD Group of Education is touching the heights by the blessings of God.

CHAIRMAN'S MESSAGE

We at Sri Krishna Dutt Academy, believe in imparting quality education in all the fields of academics. With the active support and cooperation of the dedicated teaching staff, we inculcate in our students an affirmative approach to life with honesty and hard work.

Education is the fundamental birth right of every child and an educated person is an asset to the society and to the nation.

With a vision "to be in the service of education", SKD Academy has a proven track record for the last 25 years with its five branches (U.P., I.S.C., & C.B.S.E. Board). It has produced meritorious students who have excelled not only in Board examinations but also in various professional examinations. Apart from providing the higher education after 10+2, SKD Group established Shri Krishna Dutt Academy (Degree & Teacher Training College) in the year 2016.

Our institution's core competence is pure academics. We encourage our students to establish their aims at a very early stage so that they may develop all the necessary skills required to achieve their goals in life.

We have totally automated the school procedures so that all the services provided are simple, accurate & faster.

With the vision to serve the society in the health sector too, SKD Group has diversified itself into health services with the opening of SKD Hospital as it is well said. "A healthy mind reside in a healthy body."

May God guide us in the right direction so that our commitment to education & health be fulfilled & we serve the society in the best way.
