Skill and Talent Enhancement Programmes (STEPS)

Objectives:

1. To ensure high quality bench marking of globally acceptable qualification standards.
2. To train the students to understand with experiential learning and practical approach.
3. To enhance skills of the students to be able to apply their knowledge to face and resolve real time challenges.
4. To undiscover the hidden talent of the students by knocking them against various tasks.
5. To expedite decision making ability of the students across various sectors with speed and standards.

Context:

1. Skills and talent are the driving forces of economic growth and social development of the country.
2. In today's global scenario, it is extremely important for the learners of any Institute to acquire extra knowledge over and above the regular course of study as prescribed in the curriculum.
3. All the students need to work further to enhance their talent to be not only the part of the race but to win it.
4. In this process of enhancement, the students need to acquire various types of skills and techniques to deal with day-to-day life challenges to get ready for the job market.
5. Hence, in tune with the Vision and Mission of the College, we have decided to go ahead with the progressive STEPs.

Practice:

1. All the Departments of the College have designed various certificate and skill development courses to bridge the gap between the curriculum and requirements of industry and corporate sectors. This provides extra knowledge to the students.
2. Apart from that, every Department organizes various types of events at the Departmental, inter – Departmental level to provide requisite platform to the students.

3. These events are organized in accordance with the vision and mission of the college along with maintenance of harmonization with aims and objectives of the Department.
4. These events are structured and executed for active participation of the students at every level whereby students can learn through real time situations.
5. The guidelines are issued by the principal regarding such kind of events, which are planned out and executed at the departmental levels.
6. There is organizing committee of the teachers and students working under able guidance of the respective Head or Coordinator along with a group of the students who participate in the event.
7. Various types of events such as Invited Talks, Role Play, Quiz, Essay Writing, Elocution, Aptitude Test, Innovative Concept Presentation etc. are organized.
8. The participating students are instructed well in advance about the format, conduct and assessment methodologies during the events.
9. The participants are appreciated, and winners are felicitated with certificates, medals, trophies.

Evidence of Success:

1. All the records in the form of application letter duly signed by the principal to grant the permission, notices of the programmes, attendance records of the participants, reports of the events and geo – tagged photographs are maintained in chronological order.
2. There is increase in the number of the student placement in various industries and corporates.
3. There is increase in the salary packages of the students.
4. There is demand of the students from a particular sector in the industry and corporate.

Problems Encountered and Resources required:

1. Maintenance of standards and level.
2. Continuous supply of funding to plan and execute events.
3. Space crunch to organize grand level events.
4. Motivation of Non – Teaching Staff and students.
