REPORT ON SLOGAN WRITING ON UNITY DAY

TOPIC: "Unite through Ancient Wisdom: Celebrating India's Knowledge Heritage"

Date: October 31, 2018

On October 31, 2018, Sri Krishna Dutt Academy organized a Slogan Making Competition on the occasion of Unity Day, focusing on the theme related to the Indian knowledge system. The event aimed to celebrate the diversity and richness of India's cultural heritage, particularly emphasizing its profound knowledge systems.

The competition witnessed enthusiastic participation from students across various grades. Participants were tasked with creating impactful slogans that reflected the essence of India's ancient wisdom and knowledge traditions. The event not only encouraged creativity but also deepened students' understanding of their cultural roots and the importance of preserving and promoting India's intellectual heritage.

The competition was judged by a panel consisting of our principal Nahar Singh and In charge of education who evaluated the entries based on originality, relevance to the theme, and clarity of expression. Participants demonstrated their ingenuity by crafting slogans that highlighted the contributions of ancient Indian scholars in diverse fields such as mathematics, astronomy, philosophy, and medicine.

The winners were awarded certificates of excellence and prizes, acknowledging their exceptional creativity and insight into the theme. The event concluded with a brief ceremony where participants and winners were applauded for their efforts in promoting awareness and appreciation of India's knowledge systems.

NAVIGATING LEGAL AND REGULATORY CHALLENGES FOR ENTREPRENEURSHIP

Date: 5th January 2019

No. of Participants: 50

The seminar on Navigating Legal and Regulatory Challenges for Entrepreneurship, organized by Sri Krishna Dutt Academy in Lucknow on 4th and 5th January 2019 brought together entrepreneurs, legal experts, and industry professionals to delve into the complexities of the legal and regulatory landscape governing business activities. The event aimed to equip participants with practical insights and strategies to effectively navigate legal hurdles and ensure compliance with regulations in their entrepreneurial endeavors.

Business Formation and Entity Selection: The seminar commenced with an exploration of different business structures and their legal implications. Participants gained a deeper understanding of the pros and cons of various entities, including sole proprietorship, partnership, LLCs, and corporations.

Intellectual Property Protection: Legal experts provided valuable insights into protecting intellectual property rights, including trademarks, copyrights, patents, and trade secrets. Participants learned about the importance of intellectual property in maintaining a competitive edge and strategies to safeguard their innovations.

Contract Law Essentials: An in-depth discussion on contract formation, negotiation, and enforcement highlighted the importance of clear and enforceable agreements in business transactions. Participants gained practical tips for drafting contracts that minimize legal risks and ensure compliance with legal obligations.

Regulatory Compliance: Entrepreneurs received guidance on navigating regulatory requirements and compliance obligations imposed by government agencies. The session emphasized the significance of staying updated on regulatory changes and implementing robust compliance measures to mitigate risks.

Employment Law and Human Resources: Legal experts shed light on labor laws, employee rights, and employer obligations, providing entrepreneurs with essential knowledge to foster a legally compliant work environment and mitigate potential employment-related risks.

Data Privacy and Security: The seminar addressed legal considerations related to data protection, privacy policies, and cybersecurity. Participants learned about compliance requirements and best practices for safeguarding sensitive information and maintaining customer trust.

Financing and Securities Regulation: An overview of legal considerations for raising capital and compliance with securities laws provided entrepreneurs with insights into navigating investment opportunities while minimizing legal risks.

Risk Management and Liability Mitigation: The session focused on identifying and managing legal risks, including strategies for obtaining insurance coverage and implementing risk management measures to protect against liability and litigation.

Essay Writing Competition:

On April 14, 2019, Sri Krishna Dutt Academy commemorated Ambedkar Jayanti with an Essay Writing Competition Highlighting Dr. B.R. Ambedkar's profound contributions to Indian society. The event aimed to reflect on Ambedkar's visionary leadership and his enduring impact on social justice, equality, and empowerment.

Students from various grades participated enthusiastically, showcasing their research and writing skills in essays that explored different facets of Ambedkar's contributions. The essays delved into his role in framing the Indian Constitution, advocating for Dalit rights, and championing education as a tool for social reform. Participants eloquently discussed how Ambedkar's ideas continue to shape contemporary India, inspiring movements towards inclusivity and equality.

The essays were evaluated based on clarity of thought, depth of analysis, and originality of perspectives. The winners received accolades for their insightful interpretations of Ambedkar's legacy, reinforcing the importance of his ideals in fostering a just and equitable society.

Debate on "Relevance and Revival of Dr. B.R. Ambedkar's Vision for Integrating Indian Knowledge Systems in Modern Education":

Simultaneously, a spirited debate took place on the relevance and revival of Dr. B.R. Ambedkar's vision for integrating Indian knowledge systems in modern education. The debate engaged students in discussing how India's rich intellectual heritage, as envisioned by Ambedkar, could be effectively integrated into contemporary educational practices. Participants argued for and against the proposition, drawing on Ambedkar's writings and speeches advocating for education that is not only modern and scientific but also rooted in India's diverse cultural and knowledge traditions. The debate underscored the need for inclusive curricula that acknowledge and incorporate

contributions from all sections of society, thereby fostering a more comprehensive understanding of India's heritage.

Distinguished judges evaluated the debate based on clarity of argument, research depth, and persuasive presentation. The competition showcased students' critical thinking abilities and their ability to articulate informed opinions on complex educational and social issues.

The Essay Writing and Debate Competition on Ambedkar Jayanti at Sri Krishna Dutt Academy was a resounding success, providing students with a platform to reflect on Dr. B.R. Ambedkar's monumental contributions to Indian society and to debate the practical implications of his vision for modern education. The event not only celebrated Ambedkar's legacy but also encouraged thoughtful dialogue on advancing social justice and inclusive education in contemporary India

A TALK ON TRIBES OF INDIA

Date: October 2, 2019

Event: Talk on Tribes of India

On October 2, 2019, Sri Krishna Dutt Academy organized a compelling talk focused on the tribes of India as part of their initiative to explore the Indian knowledge system. The event aimed to foster a deeper understanding and appreciation of India's indigenous communities among students and faculty.

The talk commenced with an introduction highlighting the significance of October 2nd, coinciding with Mahatma Gandhi's birth anniversary, emphasizing his advocacy for inclusivity and social justice. The session then transitioned into an exploration of the diverse tribes that inhabit various regions of India, enriching the country's cultural fabric with their unique traditions and knowledge systems.

The speaker, an esteemed scholar in anthropology and indigenous studies, provided insightful perspectives on the historical backgrounds, lifestyles, and contributions of different tribal communities across India. Emphasis was placed on their sustainable practices in agriculture, traditional healing methods using medicinal plants, and craftsmanship that reflects their intricate cultural identities.

Moreover, the talk underscored the challenges faced by tribal communities, including issues of land rights, economic marginalization, and cultural assimilation. Participants were encouraged to

reflect on the importance of preserving and promoting tribal cultures and knowledge systems in the context of contemporary development paradigms.

Following the informative presentation, a lively interactive session ensued, allowing students and faculty to engage with the speaker through questions and discussions. This exchange facilitated a deeper appreciation for the resilience and cultural wealth of India's tribal populations, prompting reflections on how their traditional knowledge can inform sustainable development practices and policies.

The event concluded with a call to action, urging participants to support initiatives that empower tribal communities, protect their rights, and integrate their invaluable knowledge into broader educational frameworks. Certificates of participation were distributed to attendees, acknowledging their engagement and commitment to understanding and advocating for India's tribal heritage.

In summary, the talk on Tribes of India organized by Sri Krishna Dutt Academy on October 2, 2019, successfully promoted awareness and dialogue on the significance of tribal knowledge within the Indian knowledge system. It served as a reminder of the diversity that defines our nation and the imperative to uphold the rights and contributions of all communities, especially those historically marginalized yet culturally rich.

DEBATE ON NATIONAL YOUTH DAY

Topic: Youth Entrepreneurship: Job Creators or Job Seekers?

Date: January 12, 2020

On January 12, 2020, Sri Krishna Dutt Academy commemorated National Youth Day with a thought-provoking event centered around the theme of youth entrepreneurship titled "Youth Entrepreneurship: Job Creators or Job Seekers?" The event aimed to inspire and empower students to explore entrepreneurship as a viable career option and to critically examine its role in shaping the future workforce.

The celebration began with a ceremonial tribute to Swami Vivekananda, whose birthday is celebrated as National Youth Day in India, symbolizing his vision and ideals that continue to resonate with the youth of today. This was followed by an insightful keynote address by a prominent entrepreneur and business leader, who shared their personal journey and insights into the entrepreneurial landscape in India.

The focal point of the event was a panel discussion featuring experts from various industries, academia, and young entrepreneurs themselves. The panelists engaged in a lively discourse on the opportunities and challenges of entrepreneurship in India, particularly focusing on whether youth should aspire to create jobs through entrepreneurship or seek employment opportunities.

Participants actively debated and explored topics such as *the support mechanisms available for young entrepreneurs*, the importance of skill development and innovation, and the cultural perceptions of entrepreneurship in Indian society. The discussion highlighted success stories of young entrepreneurs who have made significant contributions to the economy and community through their ventures.

Furthermore, workshops and interactive sessions were conducted to provide practical guidance on entrepreneurial skills, business planning, and accessing funding opportunities. These sessions aimed to equip students with the necessary knowledge and tools to pursue entrepreneurial endeavors and contribute positively to India's economic growth.

The event concluded with a reaffirmation of the importance of fostering an entrepreneurial mindset among the youth, emphasizing the potential of entrepreneurship to drive innovation, create sustainable employment opportunities, and address societal challenges. Participants were

encouraged to leverage their creativity and passion to become catalysts for change in their respective fields.

Certificates of participation were awarded to attendees, acknowledging their active engagement and commitment to exploring youth entrepreneurship. The event received positive feedback from students, faculty, and guests alike, underscoring its success in inspiring and empowering the youth of Sri Krishna Dutt Academy to embrace entrepreneurship as a pathway to personal fulfillment and national development.

In conclusion, the National Youth Day celebration on January 12, 2020, organized by Sri Krishna Dutt Academy, was a testament to the academy's commitment to nurturing leadership and innovation among its students. By addressing pertinent issues surrounding youth entrepreneurship, the event provided a platform for meaningful dialogue and encouraged proactive engagement in shaping India's future entrepreneurial landscape.

ACTION RESEARCH

CONCEPT-

There are several problems which a teacher faces while working in a school. The teacher comes across the poor performance of his learners in the subjects, irregularity of the learners, non-completion of home work, poor in basic concepts and skills. The teacher tries to look into these problems at his own level and sometimes succeeds in finding out the solution of the problems. But, several times either unable to have the solution or just ignore the problem. Hence, you could agree that the problem of educational institutions or classroom situation are not to be ignored rather need to be handled seriously and carefully for the qualitative improvement of teaching learning process. For this purpose action research plays a vital role in providing the solutions of the various educational institution or classroom selected problems.

MEANING-

- Action research is one type of research which is conducted by the teachers, supervisors and school

Seminar on Intellectual Property Rights: Types, Importance, and Process

In an era marked by rapid technological advancements and a knowledge-based economy, the significance of protecting intellectual property rights (IPR) cannot be overstated. A seminar dedicated to exploring the various facets of IPR – encompassing its types, importance, and the intricate processes involved – serves as a vital platform for raising awareness and fostering understanding among stakeholders.

- Types of Intellectual Property Rights: Patents, Copyrights, Trademarks, Trade Secrets, Industrial Designs, etc.
- Importance of Intellectual Property Rights: Stimulate innovation, Drive economic growth, Protect consumers, Preserve cultural heritage, Facilitate international trade
- Process of Intellectual Property Protection: Identification of eligible assets, Registration with relevant authorities, Examination of applications, Enforcement through legal mechanisms, Maintenance through renewal and compliance.

ON
WEBINAR ON INTELLECTUAL PROPERTY RIGHTS: TYPES, IMPORTANCE AND
PROCESS

11th -12th December 2020

Date: 12th December 2020

No. of Participants: 48

The Webinar on Intellectual Property Rights (IPR), held on 11th and 12th December 2020 at Sri Krishna Dutt Academy, Lucknow, aimed to provide participants with insights into the various types of intellectual property, their significance, and the processes involved in protecting them. Intellectual property rights play a crucial role in fostering innovation, creativity, and economic growth by providing legal protection to intangible assets.

Day 1:

The webinar commenced with an introductory session outlining the fundamentals of intellectual property rights and their importance in today's knowledge-driven economy. Emphasis was placed on understanding the different types of intellectual property, including patents, trademarks, copyrights, and trade secrets.

Subsequent sessions focused on each type of intellectual property in detail, exploring the legal framework, scope of protection, and application process. Experts in the field shared real-world examples and case studies to illustrate the practical implications of intellectual property rights for businesses and individuals.

Day 2:

The second day of the webinar delved deeper into the process of obtaining and enforcing intellectual property rights. Sessions addressed key topics such as patent drafting and prosecution, trademark registration, copyright infringement, and enforcement strategies.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Interactive workshops provided participants with practical guidance on conducting patent searches, drafting patent claims, and navigating the trademark registration process. Case discussions enabled participants to analyze intellectual property disputes and explore strategies for resolving them effectively.

The Webinar on Intellectual Property Rights served as a platform for knowledge exchange and capacity building in the field of intellectual property. It highlighted the importance of protecting intellectual assets to stimulate innovation, attract investment, and create value in today's competitive marketplace. The event concluded with a call to action for participants to leverage intellectual property rights as strategic assets for business growth and development.

The organizers express their gratitude to the speakers, panelists, sponsors, and participants for their valuable contributions to the success of the webinar. Special thanks to Sri Krishna Dutt Academy for hosting the event and fostering awareness and understanding of intellectual property rights among students, professionals, and the wider community.

The objectives of the Indian knowledge system, rooted in ancient India, encompassed several key aspects:

Holistic Development: Emphasized the development of individuals in all dimensions - physical, mental, emotional, and spiritual.

Preservation and Transmission of Knowledge: Focused on preserving and transmitting knowledge across generations, often through oral traditions, texts, and guru-disciple relationships.

Spiritual Enlightenment: Aimed at achieving spiritual enlightenment and self-realization through practices such as yoga, meditation, and introspection.

Social Harmony: Promoted the idea of dharma (duty/righteousness) as a guiding principle for individuals and society, fostering social harmony and collective well-being.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road Lucknow

Practical Applications: Integrated theoretical knowledge with practical applications, as seen in fields such as architecture, mathematics, astronomy, medicine, and governance.

Unity of Knowledge: Recognized the interconnectedness of various branches of knowledge, emphasizing the unity of all sciences, arts, and philosophies.

Environmental Sustainability: Advocated for a harmonious relationship with nature, promoting sustainable living practices and ecological balance.

These objectives guided the Indian knowledge system, contributing to the rich cultural and intellectual heritage of ancient India.

5 Days workshop on Action Research : Unlock the Power Of Reflective Practice

12th to 16th October 2021

The Action Research Workshop aimed to equip participants with the knowledge and skills necessary to conduct action research effectively. The B.Ed. department of Sri Krishna Dutt Academy organize a five day workshop on **Action Research: Unlock The Power Of Reflective Practice** held on 12 to 16 October 2021 at Auditorium. Pupil teachers as well as teachers from different college of Lucknow actively participated the workshop.

The main objective of the workshop was-

1. Introduce participants to the concept and principles of action research.
2. Provide guidance on designing and implementing action research projects.
3. Foster collaboration and networking among participants.
4. Enhance participants' understanding of data collection and analysis methods in action research.
5. Empower participants to use action research as a tool for continuous improvement in their respective fields.

Day 1: Identifying the Problem

The first step was to clearly define the problem at hand. Through surveys, interviews, and observations, the team identified a recurring issue of communication breakdown within the organization.

Day 2: Planning and Implementing Strategies

With the problem identified, the focus shifted to devising strategies to tackle it. This involved brainstorming sessions, setting SMART goals, and developing an action plan. Strategies included implementing regular team meetings, establishing communication channels, and providing communication training.

Day 3: Implementation and Data Collection

The strategies were put into action on day three. Team meetings were initiated, communication channels were set up, and training sessions were conducted. Throughout the day, data was collected through surveys, feedback forms, and observation logs.

Day 4: Analysis and Reflection

On day four, the collected data was analyzed to evaluate the effectiveness of the implemented strategies. This involved quantitative analysis of survey responses and qualitative analysis of feedback. The team reflected on what worked well and areas that required further improvement.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vidyanagar
Raibareilly Road, Lucknow

Day 5: Adjustments and Next Steps

Based on the analysis and reflection, adjustments were made to the strategies. Additional training sessions were scheduled, communication channels were refined, and feedback mechanisms were strengthened. A plan for ongoing monitoring and evaluation was also developed to ensure continuous improvement.

Outcomes:

- **Increased Understanding:** Participants gained a comprehensive understanding of action research principles and methodologies.
- **Enhanced Skills:** Attendees developed practical skills in designing, conducting, and analyzing action research projects.
- **Networking:** Participants established valuable connections with peers and potential collaborators, fostering future research partnerships.
- **Action Plans:** Many participants left the workshop with actionable plans to implement their own action research projects in their respective contexts.

Conclusion:

- The Action Research Workshop was a resounding success, empowering participants with the knowledge and skills to initiate meaningful change through research. By fostering collaboration and providing practical guidance, the workshop contributed to the professional development of educators, pupil teachers and professionals committed to addressing real-world challenges through Action Research.

About the College:

Sri Krishna Dutt Academy, situated in the heart of Lucknow, stands as a beacon of responsibility and contribution to the community. With a student body of considerable size, the institution places paramount importance on fostering the holistic development of each student.

Despite the sheer number of students, discipline is a cornerstone of the academy's ethos, upheld to the highest standards. This disciplined environment coexists harmoniously with a culture of warmth and mutual respect between students and teachers, fostering an atmosphere conducive to learning and growth.

Recognizing the diverse needs of its students, the academy offers comprehensive professional and personal counseling services. These resources aim to support students in navigating both academic challenges and personal development, ensuring their overall well-being.

At the core of Sri Krishna Dutt Academy's mission is the ambition to seamlessly integrate academic learning with real-world job opportunities. By providing students with practical skills and insights, the institution equips them for success beyond the classroom, empowering them to pursue meaningful careers.

The transformative journey of students within the academy is evident in their progression from initial uncertainty to newfound confidence and focus. This metamorphosis stands as a testament to the unwavering dedication and tireless efforts of the academy's faculty and staff.

In essence, Sri Krishna Dutt Academy epitomizes a commitment to excellence, social responsibility, and the empowerment of its students, ensuring they emerge not only academically proficient but also equipped with the resilience and confidence to thrive in the world beyond its gates.

Guest of Honour -

We are delighted to extend a warm welcome to Dr. Sushil Vishwakarma, Scientist at the National Botanical Research Institute (NBRI), as our esteemed guest of honor. With his expertise in botanical research, particularly in plant physiology and biotechnology, Dr. Vishwakarma has made significant contributions to the scientific community. Beyond his scholarly achievements, he is known for his dedication to mentorship, inspiring countless students to pursue careers in botanical science. We are honored to have Dr. Vishwakarma join us, and we eagerly anticipate the insights and wisdom he will share with our audience. Please join us in extending a heartfelt welcome to Dr. Sushil Vishwakarma.

About the seminar

The seminar "Guardians of Diversity: Exploring India's Rare and Endangered Flora and Fauna" shed light on the critical importance of conserving India's biodiversity. Attendees gained insights into the challenges facing rare and endangered species, as well as the innovative conservation efforts underway. The seminar emphasized the role of community engagement, policy advocacy, and scientific research in safeguarding India's natural heritage. Overall, it inspired a renewed commitment to protecting the country's precious flora and fauna for future generations.

Objective of the Seminar

- Raise awareness about the importance of conserving India's rare and endangered flora and fauna.
- Highlight the threats facing these species, including habitat loss, poaching, and climate change.
- Showcase current conservation efforts and initiatives aimed at protecting endangered species.
- Encourage collaboration and collective action among individuals, organizations, and policymakers.
- Foster a deeper understanding of the ecological, cultural, and economic significance of biodiversity conservation.
- Promote sustainable practices and policies to ensure the long-term preservation of India's natural heritage.

About the city:

Lucknow, despite being a bustling urban center, harbors a surprising wealth of biodiversity within its confines. Various biotech institutes and organizations in the city are actively engaged in efforts to study, conserve, and promote awareness about this biodiversity. Here's a look at biodiversity in Lucknow and the efforts by biotech institutes:

1. **Flora and Fauna Diversity:** Lucknow's green spaces, including parks, gardens, and water bodies, support a diverse range of plant and animal species. This includes various tree species like mango, neem, peepal, and banyan, as well as a variety of birds, butterflies, insects, and urban mammals.
2. **Biotech Institutes in Lucknow:** Lucknow is home to prestigious biotech institutes such as the National Botanical Research Institute (NBRI), Central Institute of Medicinal and

Aromatic Plants (CIMAP), and Indian Institute of Toxicology Research (IITR). These institutes are at the forefront of biodiversity research, with a focus on plant conservation, medicinal plants, and environmental toxicology.

3. **Research and Conservation Efforts:** Biotech institutes in Lucknow conduct research to document and study the city's biodiversity, including surveys of plant and animal species, genetic diversity studies, and ecological assessments. They also collaborate with government agencies, NGOs, and local communities to implement conservation initiatives aimed at preserving habitats and protecting endangered species.

4. **Awareness and Education:** Biotech institutes in Lucknow play a crucial role in raising awareness about biodiversity conservation through outreach programs, workshops, seminars, and educational initiatives. They engage with schools, colleges, and the general public to promote environmental stewardship and encourage community participation in conservation efforts.

5. **Biotechnological Solutions:** Biotech research in Lucknow also explores innovative biotechnological solutions for biodiversity conservation and sustainable development. This includes bioprospecting for bioactive compounds from medicinal plants, development of biocontrol agents for pest management, and bioremediation of polluted environments.

6. **Policy Advocacy:** Biotech institutes in Lucknow actively engage in policy advocacy to influence decision-making processes related to biodiversity conservation and environmental protection. They provide scientific expertise and evidence-based recommendations to policymakers to inform conservation policies and regulations.

Overall, biotech institutes in Lucknow are instrumental in advancing our understanding of biodiversity, developing conservation strategies, and fostering a culture of environmental stewardship in the city and beyond. Through their collaborative efforts, they contribute significantly to the preservation of Lucknow's natural heritage for future generations.

GUARDIANS OF DIVERSITY: EXPLORING INDIA'S RARE AND ENDANGERED FLORA AND FAUNA

11TH TO 12TH MARCH 2022

Date: 12th March 2022

No. Participants: 32

A two-day workshop titled "Exploring India's Rare and Endangered Flora and Fauna" was organized by Sri Krishna Dutt Academy in Lucknow on March 11 and 12, 2022. The workshop aimed to raise awareness about the rare and endangered flora and fauna of India, highlighting their importance and the challenges they face.

Workshop Objectives

1. **Rare and Endangered Species:** The workshop focused on exploring the rare and endangered flora and fauna of India, highlighting their unique characteristics and the threats they face.
2. **Conservation Efforts:** Participants learned about the conservation efforts being made to protect these species and the importance of community involvement in conservation initiatives.
3. **Sustainable Practices:** The workshop emphasized the need for sustainable practices to reduce the impact of human activities on the environment and to promote the conservation of rare and endangered species.

Workshop Highlights

Day 1: Rare and Endangered Flora

The workshop began with an overview of the rare and endangered flora of India, including the different types of plants and their unique characteristics. Participants learned about the threats faced by these plants, such as habitat destruction and overexploitation.

Day 2: Rare and Endangered Fauna

The second day focused on the rare and endangered fauna of India, including animals and birds. Participants learned about the different types of animals and birds, their habitats, and the threats they face, such as poaching and habitat destruction.

The workshop included a panel discussion on the conservation of rare and endangered species, featuring experts from various fields. Participants had the opportunity to ask questions and engage in discussions about the challenges and opportunities in conservation efforts.

The workshop received positive feedback from participants, who appreciated the comprehensive coverage of rare and endangered flora and fauna. The workshop was well-organized and well-structured, with engaging lectures and interactive sessions.

The "Exploring India's Rare and Endangered Flora and Fauna" workshop provided valuable insights into the rare and endangered flora and fauna of India, highlighting their importance and the challenges they face. By emphasizing the need for sustainable practices and community involvement in conservation initiatives, the workshop contributed to a deeper understanding of the importance of conservation efforts. Sri Krishna Dutt Academy is commended for organizing such a comprehensive and engaging workshop that has undoubtedly enhanced the knowledge and awareness of the participating students and professionals about the rare and endangered flora and fauna of India.

द्वि-दिवसीय राष्ट्रीय संगोष्ठी

लखनऊ विश्वविद्यालय लखनऊ द्वारा अनुदानित

प्राचीन भारतीय ज्ञान परम्परा अति समृद्ध थी तथा इसका उद्देश्य धर्म, अर्थ, काम व मोक्ष को समाहित करते हुए व्यक्ति के सम्पूर्ण व्यक्तित्व को विकसित करना था। जब सारा विश्व अज्ञान रूपी अंधकार में भटकता था, तब सम्पूर्ण भारत के मनीषी उच्चतर ज्ञान का प्रसार करके मानव को पशुता से मुक्त कर श्रेष्ठ संस्कारों से युक्त कर सम्पूर्ण मानव बनाते थे।

भारत की परम्पराओं को आज विश्व भी अपना रहा है। हमें हमारी भावी पीढ़ियों को भी भारत के प्राचीन मूल्य को यथोचित महत्व देना होगा। इसके लिए आंतरिक ज्ञान, गुण, शक्ति एवं आदर्शों को ठीक रूप से पहचानना एवं सही दिशा प्रदान करना होगा।

राष्ट्रीय शिक्षा नीति 2020 भारतीय ज्ञान, परम्पराओं, प्रथाओं और मानवता को प्रोत्साहित करती है तथा सीखने और शारीरिक विकास दोनों पर इसमें ध्यान केन्द्रित किया गया है।

श्री कृष्ण दत्त एकेडमी अपने स्थापना वर्ष 2013 से उच्च शिक्षा के क्षेत्र में ज्ञानोत्पादन तथा ज्ञान संचरण के बुनियादी उद्देश्यों के साथ-साथ चरित्र, संस्कार तथा व्यक्तित्व निर्माण की पौधशाला के रूप में विकसित और प्रतिष्ठित है।

सहर्ष सूचित करना है कि श्री कृष्ण दत्त एकेडमी "भारतीय ज्ञान परम्परा के आलोक में राष्ट्रीय शिक्षा नीति 2020" विषय पर द्वि-दिवसीय राष्ट्रीय संगोष्ठी का आयोजन कर रहा है। इस संगोष्ठी का उद्देश्य हमारी प्राचीनतम भारतीय ज्ञान, निरासत, परम्परा एवं शिक्षण पद्धतियों के सनातन मूल्यों को आधुनिक शैक्षिक पद्धति व व्यवस्था में अभिसंचित करना है।

शोधपत्र सारांश एवं शोधपत्र प्रेषण

प्रतिभागी विद्वत्जन अपने शोध सारांश अधिकतम 500 शब्दों में तथा शोधपत्र अधिकतम 3000 शब्दों में इंग्लिश में Times New Roman में Font Size 12 एवं हिन्दी में Kruti Dev010 में Font Size 14 में मुद्रित कर E-mail ID: seminarbmdc@gmail-com पर दिनांक 15 सितम्बर, 2022 तक अनिवार्य रूप से प्रेषित करें। स्तरीय शोध सारांश संगोष्ठी स्मारिका में प्रकाशित किये जायेंगे तथा शोधपत्र ISBN युक्त पुस्तक में प्रकाशित किये जायेंगे। प्रकाशन शुल्क अलग से देय होगा।

भारतीय ज्ञान परम्परा के आलोक में राष्ट्रीय शिक्षा नीति-2020

दिनांक : 21, 22 सितम्बर 2022

सेमिनार रिपोर्ट

दिनांक : 24 सितम्बर 2022

प्रो० सी० बी० शर्मा जी ने अपने उद्बोधन में स्पष्ट किया कि राष्ट्रीय शिक्षा नीति-2020 पूरी शिक्षा व्यवस्था में सुधार और पुनर्गठन का प्रस्ताव करती है ताकि इसका इक्कीसवीं सदी की शिक्षा के आकांक्षात्मक लक्ष्यों के साथ मेल तो बिठाया ही जा सके, साथ ही इसे प्राचीन भारतीय ज्ञान परंपरा और सांस्कृतिक मूल्यों की विरासत की नींव पर समृद्ध भी बनाया जा सके। शिक्षा नीति कहती है कि दुनिया के विभिन्न विकसित देशों के अनुभवों से यह स्पष्ट हो चुका है कि अपनी भाषा, संस्कृति और परंपराओं में सुशिक्षित होने से हानि नहीं बल्कि शैक्षिक, सामाजिक और तकनीकी उन्नति के लिए लाभ ही मिला है। इसी संदर्भ में, राष्ट्रीय शिक्षा नीति-2020 ने भारत के सभी छात्र-छात्राओं द्वारा अच्छे, सफल, मौलिक सोच वाले, परिस्थिति अनुकूल और रचनाशील व्यक्ति बनने के लिए जिन मुख्य विषयों, कौशलों व क्षमताओं को आवश्यक माना है उसमें 'भारत का ज्ञान' एक मुख्य विषय है। राष्ट्रीय शिक्षा नीति-2020, 'भारत के ज्ञान' को परिभाषित करते हुए कहती है कि "भारत के ज्ञान" में प्राचीन भारत से प्राप्त ज्ञान और आधुनिक भारत और इसकी सफलताओं और चुनौतियों में इसके योगदान के साथ ही शिक्षा, स्वास्थ्य, पर्यावरण आदि के संबंध में भारत की भविष्य की आकांक्षाओं का एक स्पष्ट भाव शामिल होगा।

प्रो० यू० सी० वशिष्ठ ने भी वक्तव्य में बहुत ही महत्वपूर्ण बिन्दुओं पर प्रकाश डालते हुए स्पष्ट किया कि भारतीय ज्ञान परंपरा से कोई भी पहलू अछूता नहीं है वो योग, दर्शन, चिकित्सा, आयुर्वेद, एवं आधुनिक विज्ञान ही क्यों न हो। प्रो० यू० सी० वशिष्ठ ने बताया कि प्राचीन भारत ने दर्शन, ध्वन्यात्मक भाषा विज्ञान, अनुष्ठान, व्याकरण, खगोल विज्ञान, अर्थशास्त्र, सांख्य सिद्धांत, तर्क, जीवन विज्ञान, आयुर्वेद, ज्योतिष एवं संगीत जैसे विभिन्न मानव जाति की उन्नति में अत्याधिक योगदान दिया है।

प्राचीन भारतीयों द्वारा आविष्कृत विचारों और तकनीकियों का आधुनिक विज्ञान और प्रौद्योगिकी की मूलाधार को दृढ़ करने में अद्भुत योगदान रहा है। जबकि इन अभिनव योगदान को वर्तमान में कुछ तो अपनाया जा रहा है, कुछ अभी भी अज्ञात है।

उपनिषद् यद्यपि ज्ञानकाण्ड है, जिसमें आध्यात्मिक जीवन का प्रतिपादन किया गया है, तथापि साधारण मनुष्यों को कर्म करने चाहिए इसका भी उल्लेख उपनिषदों से प्राप्त होता है। तैत्तिरीयोपनिषद् में नीतिबोध का रूप अधिक स्पष्ट रूप से उपलब्ध होता है।

प्राचीन वेदों और अन्य शास्त्रों में चिकित्सा प्रणालियों का भी उल्लेख मिलता है। चरक संहिता और सुश्रुत संहिता 700 औषधियों जड़ी बूटियों के साहित्य के मुख्य पारम्परिक संग्रह हैं।

विश्व धरोहर के लिए इन समृद्ध विरासतों को न केवल भावी पीढ़ी के लिए पोषित और संरक्षित किया जाना चाहिए बल्कि हमारी शिक्षा प्रणाली के जरिए इन्हें बढ़ाना चाहिए और इन्हें नये उपयोग में लाना चाहिए।

इस सेमिनार का उद्देश्य राष्ट्रीय शिक्षा नीति-2020 के आलोक में हमारी प्राचीनतम भारतीय ज्ञान, विरासत, परंपरा एवं शिक्षण पद्धतियों के सनातन मूल्यों को आधुनिक शैक्षणिक पद्धति व व्यवस्था में अभिसिंचित करना है। भारतीय ज्ञान परंपरा तो वैदिक एवं उपनिषद् काल में थी, वह बौद्ध और जैन काल में भी रही, विभिन्न विश्वविद्यालयों की स्थापना और शिक्षा व्यवस्था से स्पष्ट परिलक्षित होता है। लेकिन इसका लोप विगत 200 से 300 वर्षों में हुआ है। इस राष्ट्रीय रूपरेखा में इसे भी उचित रूप में प्रतिगिकित करने का आवश्यकता है।

Seminar on "Indian Knowledge System Challenges and Opportunities"

12th-13th November 2022

SEMINAR REPORT

ON

INDIAN KNOWLEDGE SYSTEM: CHALLENGES AND OPPORTUNITIES

12th - 13th November 2022

Date: 13th November 2022

No. of Participants: 72

The Seminar on Indian Knowledge System: Challenges and Opportunities, held on 12th and 13th April 2021 at Sri Krishna Dutt Academy, Lucknow, aimed to explore the rich heritage of India's traditional knowledge systems, examine the challenges they face in the modern context, and identify opportunities for their revival and preservation. India's indigenous knowledge systems encompass a vast array of disciplines, including Ayurveda, Yoga, Vedic literature, and traditional arts and crafts, which have sustained for centuries and continue to offer valuable insights for contemporary society.

Day 1 Highlights:

The seminar commenced with an inaugural session that underscored the significance of India's traditional knowledge systems in shaping its cultural identity and fostering holistic development. Eminent scholars and practitioners shared their insights into the historical evolution and philosophical underpinnings of Indian knowledge traditions.

Subsequent sessions delved into the challenges confronting Indian knowledge systems in the 21st century, such as globalization, commercialization, and erosion of indigenous wisdom. Speakers discussed the need for revitalizing traditional practices, integrating them with modern education, and leveraging them for sustainable development.

Day 2 Highlights:

The second day of the seminar focused on exploring opportunities for promoting and preserving Indian knowledge systems. Panel discussions centered on initiatives to document, digitize, and disseminate traditional knowledge, as well as collaborations between academia, government, and communities to safeguard intangible cultural heritage.

Workshops and interactive sessions provided participants with practical insights into traditional arts, crafts, and healing practices. Demonstrations of yoga, meditation, and Ayurvedic therapies showcased the relevance of ancient wisdom in promoting health and well-being in contemporary society.

The Seminar on Indian Knowledge System: Challenges and Opportunities served as a platform for fostering dialogue, collaboration, and advocacy for the preservation and promotion of India's rich cultural heritage. It underscored the need for a holistic approach that recognizes the interconnectedness of traditional knowledge, environmental sustainability, and social justice. The event concluded with a renewed commitment to nurturing and safeguarding India's indigenous wisdom for future generations.

The organizers extend their sincere appreciation to the speakers, panelists, sponsors, and participants for their valuable contributions to the success of the seminar. Special thanks to Sri Krishna Dutt Academy for its commitment to promoting awareness and understanding of India's traditional knowledge systems and cultural heritage.

ABOUT COLLEGE

At Sri Krishna Dutt Academy in Lucknow, we take pride in our commitment to serving as a responsible and constructive member of society. With a bustling student body, our focus lies in nurturing every individual's holistic development. Despite our substantial size, we uphold stringent standards of discipline, ensuring a conducive learning environment.

Our institution fosters a culture of warmth and collaboration between students and teachers, promoting meaningful relationships within our community. Additionally, we provide comprehensive professional and personal counseling services, aiming to support students on their academic and personal journeys.

Central to our mission is the integration of academic learning with real-world job opportunities, preparing our students for success beyond the classroom. Through our consistent and dedicated efforts, we witness the remarkable transformation of students who arrive uncertain and leave our campus empowered and focused individuals.

GUEST OF HONOUR

Mr. Manish Singh, the director of SKD Group of Institutions. A visionary leader with an exceptional skill set that includes strategic planning, public speaking and more. He has been a source of inspiration not only for people within the organization but also for people outside this organization.

ABOUT THE WORKSHOP

SPSS (Statistical Package for the Social Sciences) is a powerful software tool widely used for statistical analysis in various fields such as social sciences, health sciences, business, and market research.

SPSS is a versatile and user-friendly software tool that empowers researchers, analysts, and decision-makers to explore, analyze, and interpret data effectively, making it an invaluable asset in various fields and industries.

OBJECTIVE OF THE WORKSHOP

Features: SPSS offers a wide range of statistical procedures and analysis techniques, including descriptive statistics, inferential statistics, regression analysis, factor analysis, cluster analysis, and more. It provides an intuitive graphical user interface (GUI) that allows users to perform complex analyses with ease.

Data Management: SPSS allows users to import, manage, and manipulate data from various sources, including spreadsheets, databases, and text files. Users can clean and transform data, handle missing values, and create new variables using SPSS's data manipulation tools.

Statistical Analysis: SPSS provides a vast array of statistical procedures for analyzing data, including measures of central tendency and dispersion, hypothesis testing, analysis of variance (ANOVA), correlation analysis, chi-square tests, and non-parametric tests. Users can generate tables, charts, and graphs to summarize and visualize their data.

Customization and Automation: SPSS allows users to customize analyses and output options to meet their specific needs. Users can create custom scripts and syntax to automate

repetitive tasks and perform complex analyses. SPSS also supports integration with other software tools and programming languages such as Python and R.

Reporting and Presentation: SPSS enables users to generate high-quality reports and presentations with customizable output options. Users can export analysis results to various formats, including Microsoft Word, Excel, PowerPoint, PDF, and HTML, for easy sharing and dissemination of findings.

Integration with Other Tools: SPSS seamlessly integrates with other software tools and platforms, including data visualization tools, survey software, and data mining tools. This interoperability allows users to leverage the strengths of different software tools for comprehensive data analysis and reporting.

Training and Support: SPSS offers a range of training resources, including tutorials, documentation, online courses, and user forums, to help users learn how to use the software effectively. Additionally, SPSS provides technical support services to assist users with troubleshooting issues and resolving software-related problems.

GUIDELINES FOR THE PARTICIPANTS

Registration is mandatory for all participants. Only registered participants will be allowed to take part in the workshop. Participants can participate in the workshop in both online and offline mode. The registration fee will be applicable for the participants and only registered participants will receive the certificates.

REPORT FOR WORKSHOP ON

MASTERING STATISTICAL ANALYSIS: A HANDS-ON WORKSHOP WITH SPSS SOFTWARE

14TH TO 18TH MARCH 2023

Date: 18th March 2023

No. Participants: 35

A five-day workshop titled "Mastering Statistical Analysis: A Hands-On Workshop with SPSS Software" was organized by Sri Krishna Dutt Academy in Lucknow from March 14 to 18, 2023. The workshop aimed to provide participants with a comprehensive understanding of statistical analysis techniques and their practical application using the SPSS software.

Workshop Objectives

1. **Statistical Analysis Fundamentals:** The workshop focused on providing a solid foundation in statistical analysis concepts, including descriptive statistics, hypothesis testing, and regression analysis.
2. **SPSS Software:** Participants learned how to use the SPSS software for data management, analysis, and interpretation, gaining hands-on experience through practical exercises and case studies.
3. **Research Applications:** The workshop emphasized the application of statistical analysis techniques in various research fields, such as social sciences, business, and healthcare.

Workshop Highlights

Day 1: Introduction to Statistical Analysis and SPSS

The workshop began with an introduction to statistical analysis concepts and the SPSS software. Participants learned about the importance of statistical analysis in research and decision-making, as well as the basic features and interface of SPSS.

Day 2-3: Descriptive Statistics and Hypothesis Testing

The second and third days focused on descriptive statistics and hypothesis testing using SPSS. Participants learned how to summarize and visualize data, as well as how to conduct various statistical tests, such as t-tests, ANOVA, and chi-square tests.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Day 4: Regression Analysis

The fourth day covered regression analysis techniques, including linear regression, multiple regression, and logistic regression. Participants learned how to build and interpret regression models using SPSS.

Day 5: Case Studies and Project Presentations

The final day of the workshop featured case studies and project presentations. Participants applied the knowledge and skills they had gained during the workshop to analyze real-world data sets and present their findings to the group.

The workshop received positive feedback from participants, who appreciated the comprehensive coverage of statistical analysis techniques and the hands-on experience with SPSS software. The workshop was well-organized and well-structured, with engaging lectures, interactive sessions, and practical exercises.

The "Mastering Statistical Analysis: A Hands-On Workshop with SPSS Software" workshop provided valuable insights into the world of statistical analysis and its practical application using SPSS software. By emphasizing the importance of statistical analysis in research and decision-making, and providing hands-on experience with SPSS, the workshop contributed to the professional development of the participating students and researchers. Sri Krishna Dutt Academy is commended for organizing such a comprehensive and engaging workshop that has undoubtedly enhanced the knowledge and skills of the participants in the field of statistical analysis.

VENUE: Auditorium, Sri Krishna Dutt Academy, Lucknow

About the Seminar:

The objective of Seminar is to discuss and debate on the various ways of promoting Entrepreneurship in the present era. Political and economic factors have an extensive effect on the entrepreneurial spirit and entrepreneurs of today have to maintain a system of external relation and linkage for growth and sustainability. There are many issues that impact negatively on Indian entrepreneurship like Lack of political unity and stability, absence of effective communication systems, existence of custom barriers and oppressive tax policies, prevalence of innumerable currency system until around the third decade of the 20th century. Indian Entrepreneurship ruled by the community system was organized in a very simple type of economic and social way.

Entrepreneur and attitude:

The attitude of an Entrepreneur may be like the followings:

- Specific, achievable, realistic and time bound goals.
- Innovative, creative and hard/ smart working.
- Risk management
- High achievement motivation
- Moderate risk taking – not high nor low
- Time conscious- Target setting
- Goal setting behavior – SMART goals
- Urge for excellence and positive attitude
- Sustainance & growth & Diversification
- Organizing resources & Management
- Problem solving and not problem avoidance
- Action oriented – believes in action and see results
- Well aware of strengths to make relation with external parties
- Ability to perceive Learning
- Pragmatic and realistic in their approach Entrepreneurship has been privy to India and despite various schemes being in place the country has not witnessed the natural

SEMINAR REPORT
ON
INNOVATION AND ENTREPRENEURSHIP
22nd and 23rd June 2023

Date: 23rd June 2023

No. of Participants: 63

Introduction: The Seminar on Innovation and Entrepreneurship, held on 22nd and 23rd June 2023 at Sri Krishna Dutt Academy, Lucknow, aimed to foster a culture of innovation, creativity, and entrepreneurship among students, professionals, and aspiring business leaders. Innovation and entrepreneurship play pivotal roles in driving economic growth, job creation, and societal progress, making it imperative to explore emerging trends, best practices, and success stories in these domains.

Day 1 Highlights: The seminar commenced with an inspiring keynote address that underscored the transformative power of innovation and entrepreneurship in addressing contemporary challenges and seizing opportunities in a rapidly evolving global landscape. Eminent speakers shared insights into the importance of cultivating an entrepreneurial mindset and leveraging innovation to drive sustainable growth.

Subsequent sessions delved into various facets of innovation and entrepreneurship, including ideation, market validation, business model innovation, and venture financing. Case studies of successful startups and entrepreneurial ventures provided valuable lessons on overcoming challenges and achieving success in competitive markets.

Day 2 Highlights: The second day of the seminar focused on practical aspects of entrepreneurship, including startup incubation, mentorship, and ecosystem support. Panel discussions and workshops facilitated discussions on building resilient business models, harnessing emerging technologies, and navigating regulatory frameworks.

Participants had the opportunity to interact with successful entrepreneurs, industry experts, and investors, gaining insights into the entrepreneurial journey and valuable advice for launching and
