Report on  
Training Program for Teaching and Non-Teaching Staff  
“Fire safety training Programme”

Organized by  
Internal Quality Assurance Cell  
Academic Year: 2018-19

<b>Resource Person</b>	<b>Mr. Santosh Kumar Tiwari</b>
<b>Date</b>	20 .09.2018

Fire safety training programme was organized on 20.09.2018. College staff members including teaching and non-teaching participated in the same.

The trainer gave us information on precautions to be taken during emergency of fire break. Our response during fire, types of fire, how to use fire extinguishers, types of fire extinguishers, tackling fire at home and office. They had taken a demo session on use of fire extinguishers. They made all participants demonstrate the use of extinguishers.

It was a very informative and practical session to tackle fire.

## **Faculty Development Programme on Financial Modeling Using Excel VBA, R, and AI Tools**

This Faculty Development Programme (FDP) is open to Faculty Members of Business Schools/Colleges/Universities across India offering MBA, B.Com, M.Com and the related UG courses.

### **Resource Persons:**

Dr.L.Goverthanam,MS, FCMA.

Dr.Subramanian S. Iyer, MBA, FRM.

### **Objective:**

To support the professional growth of faculty members by equipping them with the necessary skills to incorporate technology into their teaching methodologies effectively. By doing so, the program aims to cultivate an engaging learning atmosphere that inspires students and encourages them to comprehend and utilize the concepts being taught. Specifically tailored for college educators, this FDP will prioritize the transmission of practical skills and knowledge to better meet the needs of the academic setting.

### **Expected Outcome:**

Upon completion of this course, educators will gain proficiency in financial modeling and revolutionize their teaching techniques by incorporating accessible open-source tools! Tailored for college educators, this Faculty Development Programme is designed to enhance understanding of financial modeling using Excel-VBA, R, and AI. Educators will empower students to easily grasp and master these skills, fostering motivation and engagement in the learning process.

**Duration:** This FDP is from **20.05.2019 to 03.06.2019** between 6 pm to 8.30 pm on all days excluding Sundays.

### Topics for FDP

1. Creating user functions that are not in Excel as built-in but often required such as functions for computing Income tax (new) regime, DCF functions with varying interest and cash flow stream, discounted payback period, PV/FV of growing Annuity/cashflows, function for computing convexity, etc.
2. Enabling such user functions portable for use in any file.
3. Recording Macros and creating viz. EMI calculator / PV calculator with a schedule at the click of a widget for various values of arguments and making it reusable.
4. Creating Ribbon Menus for various user-defined topics for easy maneuverability.
5. BEP Model simulation using widgets
6. Optimisation Model using Excel solver and automating the same for various input values.
7. Sensitivity and scenario analysis using VBA
8. Reading stock data live and creating portfolio return and variance using R for at least 10 stocks at a time.
9. Markowitz efficient frontier for the above stocks & Animation in R.
10. Integrating R functions with Excel without any alteration
11. Building Dashboard for Ratio analysis - Dupont Chart
12. Corporate Valuation Models
13. Montecarlo Simulation
14. Automation using AI tools in R

### Prerequisites:

1. Interested Faculty members should have basic skills in Excel and of course teaching Finance. Familiarity with VBA, R and AI is not essential.
2. Should have willingness and time to practice (daily during the course period) so as to internalise the skills and become effective and organised in using the skills learnt.

### Fees:

A nominal fee of ₹ 1500/- per participant to be remitted to the bank account as per the details below:

Name of Bank : HDFC

Account No : 50200065299278

Branch : HAZRATGANJ, LUCKNOW

IFSC Code: HDFC0000078

**Important:** The proof of remittance must be uploaded in the Registration form.

**Registration:** <https://forms.gle/WZfw8r7oGpuSbADi6>

**Last date to apply** - 18.05.2019

To register, please use only your official email address from your B-school, college, or university. Admission will be on a first-come, first-served basis. Once our target of approximately 50 participants is reached, registration will be closed. A WhatsApp group for convenient communication will be established later.

The Faculty Development Programme (FDP) on "Stress Management and Resilience Building: Techniques for Non-Teaching Staff" was successfully conducted at our college. The FDP aimed to equip our non-teaching staff members with practical techniques and strategies to effectively manage stress, enhance resilience, and promote overall well-being in their professional and personal lives.

During the FDP, participants engaged in informative sessions, interactive workshops and group discussions facilitated by experienced professionals in stress management and resilience building. The sessions covered various topics, including stress identification, relaxation techniques, effective time management, and self-care strategies. Participants actively shared their experiences, challenges, and success stories, fostering a supportive and collaborative learning environment.

We encourage all participants to apply the techniques and strategies learned during the FDP in their daily lives, fostering a positive work culture and enhancing their overall well-being.

<b>Date</b>	15.08.2022 to 17.08.2022

The Three-Day Faculty Development Programme (FDP) on "Health and Wellness for Non-Teaching Staff: Tips and Techniques for a Balanced Lifestyle" was successfully conducted. The FDP intended to provide non-teaching staff members with valuable insights and practical strategies for maintaining a healthy and balanced lifestyle.

The FDP comprised interactive sessions, expert talks, workshops, and practical demonstrations focusing on physical and mental well-being. Participants gained knowledge about the importance of physical activity, nutrition, stress management, work-life balance, and building a supportive community.

We extend our sincere appreciation to all the participants, resource persons, and organizing committee members who contributed to the success of this FDP.
