Action Taken Report

Teachers Feedback Analysis (2021-2022)

Action Taken	Description
Improve Procurement Procedures	Implement transparent procurement processes for both library and departmental resources to address concerns raised by respondents.
Address Examination Evaluation System Concerns	Review and potentially revise the examination evaluation system based on feedback to ensure fairness and transparency.
Enhance Library Resources Accessibility	Take steps to ensure convenient access to library resources, potentially through extended hours, digital resources, or additional physical materials.
Gather Qualitative Feedback	Conduct focus groups or interviews with students, faculty, and staff to gain deeper insights into the reasons behind specific ratings and areas for improvement.
Continuous Monitoring and Feedback Implementation	Establish mechanisms for regular feedback collection and analysis, with a commitment to ongoing evaluation and adjustment based on stakeholder input.

	Offer refresher courses on specific subjects to strengthen teachers' command over syllabi.
	Organize workshops on interdisciplinary teaching to help teachers link subjects effectively.
Methodology of Teaching	Offer training sessions on effective use of teaching aids and innovative teaching methods.
	Create a platform for teachers to share and learn from each other's successful teaching strategies.
	Facilitate peer learning sessions where teachers can practice and receive feedback on clarifying students' doubts.
Teachers' Attitude	Conduct sensitivity training to ensure teachers are supportive of students from diverse backgrounds.
	Establish mentorship programs where teachers can guide students in career planning and development.
	Encourage open communication channels between students and teachers to address any concerns regarding academic interests.

Action Taken Report (Student Feedback) (2021-22)

Syllabi of different programs have been restructured to accommodate more of such courses

Such need based changes have been incorporated to ensure the right amount of practical based components in the curriculum.

Efforts have also been made to strengthen the infrastructure support for the same.

Moreover, constant efforts are being made to involve students in a plethora of curriculum enrichment activities like industrial/ field visits, lecture series, training sessions, workshops etc.
