Report on Women's Rights and Safety Pledge by Sri Krishna Dutt Academy

August 20, 2019

Sri Krishna Dutt Academy organized a significant event focused on raising awareness about women's rights and safety among its students. The academy orchestrated a pledge ceremony where students committed to promoting and upholding these vital principles in their daily lives.

Principal

The event commenced with a welcome address by the principal, who emphasized the importance of understanding and advocating for women's rights in contemporary society. He further said that every citizen of the country, male or female, enjoys the right to education and employment in an environment of safety and security. The constitution of India provides for "Gender Equality" and the "Right to life and liberty" to all persons under Articles 14, 19 and 21. It is thus duty and mandate of every organization to provide maintenance of the fundamental rights to live and work with dignity for all employees: male and female. At the same time, persons sometimes face violations of their fundamental rights. This necessitates the establishment of safeguards to provide gender equality. Due to the societal reasons, working women, often face difficulties and challenges at the work place, thereby necessitating the need for protective measures that safeguard women's rights and safety.

Students were then invited to participate in the pledge ceremony. With hands raised, they solemnly vowed to respect women's rights, stand against any form of harassment or discrimination, and actively support initiatives that ensure the safety and dignity of women. This collective commitment was not only a significant gesture but also an educational experience, reinforcing the values of equality and respect among the younger generation.

The boys took the Pledge....

"I take this pledge in the name of my mother

I will always treat all women with dignity and respect

I will never physically or mentally abuse any women

I will remain committed to the elimination of violence against women"

The girls too had their Pledge time which goes thus.....

" I will always consciously value and protect my as well as the dignity and self-respect of others

I will not tolerate any physical or mental abuse for myself as well as for others

I will remain committed to the elimination of violence against society".

Overall, the pledge event at Sri Krishna Dutt Academy served as an inspiring reminder of the critical role that education plays in shaping a just and inclusive society.
