REPORT OF BOOK/COPY DISTRIBUTION

Date: July 12, 2018

On July 12, 2018, Sri Krishna Dutt Academy organized a commendable initiative to distribute books and copies to 130 underprivileged students residing in the Saduna slum area. This event aimed to support education accessibility among the economically disadvantaged children and empower them through knowledge.

The distribution event commenced at 10:00 AM in the morning, with volunteers and staff members from Sri Krishna Dutt Academy assembling at the designated location within the Saduna slum area. The event was meticulously organized to ensure a smooth process and maximum outreach.

Preparation: Prior arrangements were made to procure adequate quantities of books and copies suitable for students across different grades. These materials were carefully selected to align with the curriculum requirements.

Volunteer Engagement: Dedicated volunteers from Sri Krishna Dutt Academy enthusiastically participated in the event. Their commitment and passion played a crucial role in ensuring the success of the distribution process.

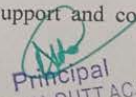

Identification of Beneficiaries: Efforts were made to identify and invite 130 deserving students from the Saduna slum area. Priority was given to those facing financial constraints and lacking access to educational resources.

Distribution Ceremony: The distribution ceremony commenced with a brief introduction about the importance of education and the objectives of the initiative. Representatives from Sri Krishna Dutt Academy addressed the gathering, emphasizing the significance of learning in transforming lives.

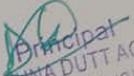

Distribution of Books and Copies: Following the introductory session, books and copies were distributed to each student with utmost care and attention. Volunteers assisted in ensuring that every child received the necessary materials according to their academic requirements.

The initiative received an overwhelmingly positive response from the students, their families, and the local community. The provision of educational materials not only instilled a sense of excitement among the children but also provided them with essential tools to pursue their studies effectively.

Furthermore, the event served as a catalyst for fostering community engagement and promoting the importance of education in breaking the cycle of poverty. The beneficiaries expressed their gratitude towards Sri Krishna Dutt Academy for their generous support and commitment to uplifting the underprivileged sections of society.

The book and copy distribution event organized by Sri Krishna Dutt Academy in the Saduna slum area on July 12, 2018, was a resounding success. Through this initiative, 130 deserving students were equipped with the necessary educational resources to enhance their learning journey. Such endeavors underscore the pivotal role of education in empowering individuals and building inclusive communities. Sri Krishna Dutt Academy remains committed to furthering its efforts towards educational equity and social welfare.

About the College

Sri Krishna Dutt Academy, Lucknow has always been conscious of its role as a constructive and responsible part of the society. Utmost attention is given to all overall development of the personality of students. In spite of a phenomenally large number of students, the standard of discipline is well maintained. The student teacher relation remains absolutely cordial. The college also provides professional and personal counselling to the students. Our institution's main objective is to link academic education with job opportunities. Overall consistent and unstinting efforts of the college are borne out by the fact that students enter the college as uncertain and bewildered but leave its portals as much more confident and focused.

About the Workshop :

Join our empowering Self-Defence Workshop and learn essential techniques to protect yourself in any situation. Our expert instructors will guide you through practical skills, including striking, blocking, and escape maneuvers. Designed for all ages and fitness levels, this workshop focuses on building confidence and awareness. Gain valuable insights into personal safety and risk assessment. Participate in hands-on drills and real-life scenario training. Develop the mental resilience to stay calm under pressure. Our supportive environment ensures a safe and engaging learning experience. Equip yourself with the tools to stay safe and confident.

Guest of Honour

Manish Singh is the director of Sri Krishna Dutt Academy. With a robust skill set that includes strategic planning, customer service, social media management, public speaking and more, Manish Singh contributes valuable insights to the industry.

Workshop on Self Defense

Date: 22 September 2018

No. of Participants: 78

Five Days Workshop on self-defense from 18th September to 22th September 2018 was conducted at the Sri Krishna Dutt Academy from 02:00 pm to 04:00 pm. The workshop included various techniques such as Kickboxing, Tae-Kwon-do, Judo, Kung Fu, Karate, Krav Maga etc. The program observed the active participation and involvement of all students. The self-defense workshop conducted was an empowering event, equipping participants with essential skills and knowledge for personal safety. The session covered fundamental techniques such as situational awareness, basic strikes, and practical self-defense moves.

The program witnessed its pinnacle on the final day owing to the august gathering of the Chief Guest, 'The Warriors'

The workshop started off at 2 PM with an introduction where the trainers enlightened the students and shed light on the themes of 'Domestic Violence and Safe Journey'. Keeping in view the rising number of crimes in the country, it is important to provide self-defense training to them in the colleges to ensure their safety and security. Expert instructors demonstrated effective strategies to escape potentially dangerous situations.

Self defense training techniques instills self confidence amongst students, the head trainer from the Warriors, spoke largely on the kind of violence that is committed against women. He narrated some instances related to Domestic Violence, Dowry, Cruelty by husband & in-laws, Sexual Harassment in public, private, or the workplace, Stalking, Obscene Calls that comes to the Special Police Unit for assistance. He pointed out why it is necessary to attend and train oneself with this kind of workshop and training programmes. He said that having knowledge about self-defense techniques not only helps defend but also it builds confidence in oneself. He gave advice and tips to the students on how to avoid situations and circumstances that may lead to unwanted/untoward incidents.

The workshop on self-defense proved to be a resounding success, equipping individuals with both physical skills and a heightened sense of awareness. Empowering participants to take an active role in

their personal safety, the workshop served as a valuable resource in building a safer and more confident community. As the lessons learned resonate, the impact of this workshop is expected to extend far beyond its duration, contributing to a culture of self-reliance and security. Participants engaged in hands-on activities, fostering a sense of confidence and preparedness. The workshop emphasized the importance of mental strength and quick decision-making in high-pressure scenarios. Attendees left with newfound awareness and practical skills, ready to enhance their personal safety. Overall, the workshop successfully instilled a sense of empowerment and equipped individuals with valuable tools for self-defense in various situations.

Attendees left with a heightened sense of self-efficacy and a better understanding of potential threats. The interactive nature of the workshop fostered a supportive environment, allowing participants to practice and refine their newly acquired skills. Overall, the event successfully equipped individuals with valuable tools to navigate and respond effectively to various situations, promoting a sense of empowerment and security. The training was given for a week and the female as well as the male students learnt the basics of self-defense.

MONSOON PLANTATION DRIVE

Date: July 28, 2018

The Monsoon Plantation Drive organized by Sri Krishna Dutt Academy aimed to contribute to environmental conservation and beautification efforts along the Lucknow-Raibareilly Road to Mohanlalganj area. The primary goal was to plant 500 trees before the onset of the monsoon season to enhance the green cover and mitigate the impact of deforestation.

Preparation: Prior to the plantation drive, the organizing committee (Sri Chitragupta Welfare Society) coordinated with local authorities to obtain necessary permissions and identify suitable locations for planting trees along the designated route.

Adequate arrangements were made for transportation, tools, and equipment required for planting the trees. Volunteers were briefed about safety measures and proper tree plantation techniques.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

On the day of the drive, volunteers from Sri Krishna Dutt Academy, along with community members and local officials, gathered at the designated site. The plantation process began with a brief ceremony highlighting the importance of environmental conservation.

Tree Species: A variety of indigenous tree species, including neem, peepal, banyan, and mango, were selected for plantation, considering their adaptability to the local climate and soil conditions.

Planting: Teams of volunteers worked diligently to plant the saplings along the roadside, ensuring adequate spacing and proper alignment. Emphasis was placed on providing sufficient water and mulch to promote the healthy growth of the newly planted trees.

Outcomes:

500 Trees Planted: The Monsoon Plantation Drive successfully achieved its target of planting 500 trees along the Lucknow-Raibareli Road to Mohanlalganj stretch, thereby significantly enhancing the green cover in the area.

Environmental Impact: The newly planted trees are expected to contribute to air purification, soil conservation, and wildlife habitat enhancement, thus mitigating the adverse effects of deforestation and urbanization.

Community Participation: The active participation of volunteers and community members reflects a growing awareness and commitment towards environmental stewardship and sustainable development.

Long-Term Benefits: The plantation drive is expected to yield long-term benefits in terms of climate resilience, water conservation, and ecological sustainability, benefiting present and future generations.

The Monsoon Plantation Drive organized by Sri Krishna Dutt Academy stands as a testament to the collective efforts towards environmental conservation and sustainable development. Through the planting of 500 trees along the Lucknow-Raibareli Road to Mohanlalganj corridor, the initiative has made a significant contribution towards creating a greener and healthier environment for all.

A Visit to Cheshire Home (An Old Age home)

Initiative BY Sri Krishna Dutt Academy

Date: 3 November 2018

Organizer: SRI Chitragupta Welfare Society

Introduction:

Sri Krishna Dutt Academy organized a visit to Cheshire Home, an old age home, as part of its community service initiative. The visit aimed to foster empathy, promote social responsibility, and provide companionship and support to the elderly residents of the home.

Objective:

The primary objective of the visit to Cheshire Home was to interact with the elderly residents, learn about their experiences, and offer companionship and emotional support. Additionally, the visit sought to raise awareness among students about the challenges faced by the elderly and the importance of respecting and caring for the elderly members of society.

Key Activities:

Welcoming and Introduction: Upon arrival at Cheshire Home, the students were warmly welcomed by the staff and residents. A brief introduction session was conducted to familiarize the students with the home's facilities and the background of its residents.

AS
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Interactive Sessions: The visit included interactive sessions wherein students engaged in conversations with the elderly residents. They listened to their life stories, experiences, and words of wisdom, fostering mutual understanding and appreciation across generations.

Recreational Activities: To brighten the spirits of the residents, students organized recreational activities such as singing, storytelling, and games. These activities created a joyful atmosphere and encouraged active participation from both students and residents.

Volunteer Assistance: In addition to social interaction, students offered assistance with daily tasks such as serving meals, arranging recreational activities, and providing companionship to residents who may have felt lonely or isolated.

Donation Drive: As part of the initiative, Sri Krishna Dutt Academy organized a donation drive to collect essential items and supplies for the residents of Cheshire Home. These donations included toiletries, clothing, non-perishable food items, and other necessities to support the well-being of the elderly residents.

Outcomes and Impact:

The visit to Cheshire Home facilitated meaningful interactions between students and elderly residents, resulting in several positive outcomes:

Emotional Connection: Students developed empathy and compassion towards the elderly, gaining a deeper appreciation for their life experiences and wisdom.

Mutual Joy: The visit brought joy and companionship to the residents of Cheshire Home, fostering a sense of belonging and emotional well-being.

Community Engagement: The initiative promoted community engagement and social responsibility among students, encouraging them to actively contribute to the welfare of society's vulnerable populations.

Future Initiatives:

Building on the success of the visit to Cheshire Home, Sri Krishna Dutt Academy plans to undertake the following future initiatives:

Regular Visits: Organizing periodic visits to Cheshire Home to maintain ongoing relationships with the residents and continue providing support and companionship.

Volunteer Programs: Establishing volunteer programs that enable students to engage in meaningful service activities and contribute to the well-being of elderly individuals in the community.

Principal
SRI KRISHNA DUTT ACADEMY
20/Pr
Raibarama Road, Lucknow

Awareness Campaigns: Conducting awareness campaigns and workshops to educate students about the challenges faced by the elderly and promote intergenerational understanding and respect.

Outcome:

The visit to Cheshire Home organized by Sri Krishna Dutt Academy exemplifies the spirit of compassion, empathy, and community service. By fostering meaningful interactions and providing support to elderly residents, the initiative underscores the importance of caring for and respecting the elderly members of society. Through continued efforts and engagement, the academy aims to make a positive difference in the lives of elderly individuals and promote a culture of empathy and social responsibility among students.

Traffic Awareness Program

Initiative BY Sri Krishna Dutt Academy

Introduction:

Date : 17 November 2018

The Traffic Awareness Program aimed to educate and engage the community in promoting safe and responsible behaviors on the road. This report outlines the objectives, activities, outcomes, and recommendations of the program.

Objectives:

- To Raise awareness about traffic rules and regulations.
- To Educate individuals on safe driving practices.
- To Promote responsible behavior among drivers, pedestrians, and cyclists.
- To Reduce the number of traffic accidents and fatalities.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Activities:

Interactive session : Conducted interactive sessions to educate participants about traffic laws, road signs, and safe driving techniques.

Awareness Campaigns: Utilized social media, posters, and flyers to disseminate information on traffic safety and responsible behavior.

Outcomes:

Increased Awareness: Surveys conducted before and after the program indicated a significant improvement in participants' knowledge of traffic rules and safety measures.

Behavioral Change: Observational studies revealed a positive shift in behavior, with a noticeable increase in seatbelt usage, adherence to speed limits, and pedestrian awareness.

Community Engagement: The program fostered community involvement and collaboration, with individuals taking proactive steps to address traffic-related issues in their neighborhoods.

Accident Reduction: While it is challenging to attribute specific reductions solely to the program, there was a noticeable decline in reported accidents and casualties in areas where the program was implemented.

Recommendations:

Sustainability: Ensure the continuity of the program through regular workshops, awareness campaigns, and partnerships with relevant stakeholders.

Targeted Interventions: Tailor interventions to address specific issues such as drunk driving, speeding, or pedestrian safety based on local data and feedback.

Evaluation and Monitoring: Continuously assess the effectiveness of the program through surveys, focus groups, and accident data analysis to make informed adjustments and improvements.

Outcome:

The Traffic Awareness Program has made significant strides in promoting road safety and responsible behavior. By raising awareness, educating individuals, and fostering community engagement, the program has contributed to a safer and more responsible road environment. Continued efforts and collaboration are essential to sustain and expand these positive outcomes in the future.

HEALTH CAMP ORGANIZED AT SRI KRISHNA DUTT ACADEMY

On December 5, 2018, Sri Krishna Dutt Academy organized a health camp in the local community as part of its commitment to promoting health and well-being. The event aimed to provide free medical check-ups and consultations to the residents of the community, particularly focusing on those who may have limited access to healthcare services.

- To offer free medical check-ups and consultations to the local community.
- To raise awareness about preventive healthcare measures.
- To identify and address common health concerns prevalent in the community.

Event Details:

Date: December 5, 2018

Location: Sri Krishna Dutt Academy,

Time: 9:00 AM to 3:00 PM

Services Provided:

- General health check-ups including blood pressure, blood sugar, and BMI measurements.
- Consultations with physicians and specialists in various fields.
- Distribution of informational pamphlets on healthy living and disease prevention.
- Counseling sessions on nutrition and lifestyle modifications.
- Referral services for further diagnosis and treatment if required.

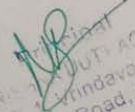

Partnerships:

The success of the health camp was made possible through collaboration with:

SKD HOSPITAL professionals who volunteered their time and expertise.

Pharmaceutical companies who provided medical supplies and equipment.

Community leaders and volunteers who assisted in organizing and promoting the event.

SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Outcome:

Total number of attendees: 54

Common health issues identified: BLOOD PRESSURE, DIABITIES etc.

Referrals made for follow-up care.

The health camp organized at Sri Krishna Dutt Academy on December 5, 2018, was a significant success in providing much-needed healthcare services to the local community. By offering free medical check-ups and consultations, the event contributed to raising awareness about preventive healthcare measures and addressing common health concerns. The collaborative effort of healthcare professionals, volunteers, and community members ensured the smooth execution of the event, underscoring the importance of collective action in promoting public health.

Nukkad Natak on Female Foeticide

Initiative BY Sri Krishna Dutt Academy

Title: Nukkad Natak Report: Combating Female Foeticide by Sri Krishna Dutt Academy

Introduction:

Date: 19 December 2018

Sri Krishna Dutt Academy, a prominent educational institution in the neighborhood, organized a compelling nukkad natak (street play) aimed at raising awareness about the pressing issue of female foeticide. This report outlines the objectives, execution, impact, and reflections on the event.

Objectives:

- Raise awareness about the detrimental effects of female foeticide on society.
- Challenge societal norms and stereotypes perpetuating gender bias.
- Empower community members to take a stand against gender-based discrimination.
- Mobilize support for initiatives promoting gender equality and women's rights.

Execution:

Script Development: The academy collaborated with experienced playwrights and social activists to develop a powerful script that effectively conveyed the message against female foeticide while engaging the audience.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Casting and Rehearsals: Students and volunteers from the academy were selected to portray diverse characters reflecting the societal dynamics surrounding the issue. Intensive rehearsals were conducted to ensure smooth execution.

Performance Venue: The nukkad natak was staged at a central location in the neighborhood, attracting a sizable audience comprising residents, students, and passersby.

Interactive Elements: The performance incorporated interactive elements such as audience participation, Q&A sessions, and distribution of informational materials to enhance engagement and understanding.

Post-Performance Discussions: Following the natak, facilitated discussions were held to encourage reflection, share personal experiences, and brainstorm actionable steps to combat female foeticide.

Impact:

Awareness Generation: The nukkad natak succeeded in capturing the attention of the audience and raising awareness about the severity of female foeticide and its far-reaching consequences.

Emotional Response: The emotive performances and relatable narratives evoked strong emotions among the audience, fostering empathy and a sense of urgency to address the issue.

Behavioral Change: Participants expressed a willingness to challenge discriminatory practices and actively contribute to creating a more equitable society, signaling a positive shift in attitudes and behavior.

Community Mobilization: The event served as a catalyst for community mobilization, with attendees pledging support for initiatives aimed at protecting the rights and dignity of women and girls.

Reflections:

Empowerment through Art: The nukkad natak demonstrated the power of artistic expression in driving social change and empowering communities to address complex issues.

Collaborative Approach: The successful execution of the event underscored the importance of collaboration between educational institutions, artists, activists, and community members in effecting meaningful change.

Continued Engagement: It is imperative to sustain the momentum generated by the nukkad natak through follow-up activities, ongoing dialogue, and collaborative initiatives to address the root causes of female foeticide and promote gender equality.

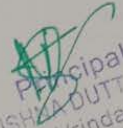

Outcome:

The nukkad natak organized by Sri Krishna Dutt Academy served as a poignant reminder of the urgent need to combat female foeticide and promote gender equality. Through its powerful performances, thought-provoking narratives, and community engagement, the event inspired

REPORT

ON

CANCER AWARENESS CAMPAIGN THROUGH PAMPHLET DISTRIBUTION

Date: February 4, 2019

On February 4, 2019, Sri Krishna Dutt Academy initiated a Cancer Awareness Campaign through pamphlet distribution in the local community. The objective of this campaign was to raise awareness about cancer, its prevention, early detection, and available resources for support and treatment.

The strategy primarily involved distributing informative pamphlets containing crucial information about cancer, its risk factors, preventive measures, and the importance of regular screenings. These pamphlets were distributed across various locations within the local community, including residential areas, marketplaces, educational institutions, and public spaces.

The campaign commenced early in the morning, with volunteers from Sri Krishna Dutt Academy strategically stationed at key locations within the community. Equipped with informational pamphlets, the volunteers engaged with community members, offering them literature and engaging in conversations to emphasize the significance of cancer awareness and early detection.

Key Messages:

The pamphlets disseminated during the campaign conveyed several key messages:

- Understanding the importance of cancer awareness and early detection.
- Promoting healthy lifestyle choices to reduce the risk of developing cancer.
- Encouraging regular medical check-ups and screenings for early detection.
- Providing information about available resources and support services for cancer patients and their families.

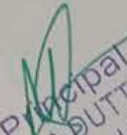

Impact Assessment:

- The impact of the Cancer Awareness Campaign through pamphlet distribution was significant:
- Increased Awareness: Community members showed heightened awareness regarding cancer-related issues, including risk factors and preventive measures.
- Empowerment: Individuals were empowered with knowledge about the importance of early detection and seeking medical assistance promptly.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

- **Community Engagement:** The campaign facilitated meaningful interactions between volunteers and community members, fostering a sense of collective responsibility towards combating cancer.

Sri Krishna Dutt Academy's Cancer Awareness Campaign through pamphlet distribution on February 4, 2019, was a commendable initiative that effectively disseminated vital information within the local community. By raising awareness, empowering individuals, and fostering community engagement, the campaign contributed towards the overarching goal of combating cancer and promoting public health.

Matdan Jagrukta Ralley at Sri Krishna Dutt Academy

Introduction: On 30/3/19 Sri Krishna Dutt Academy organized a Matdan Jagrukta Rally to promote voter awareness and civic engagement among students and the local community. The rally aimed to emphasize the importance of voting rights, encourage voter registration, and educate participants about the democratic process.

Event Details: The Matdan Jagrukta Rally commenced at 11.30 AM from the premises of Sri Krishna Dutt Academy. The event attracted a significant turnout, with students, teachers, local residents, and representatives from various community organizations participating enthusiastically.

Route and Activities: The rally followed a designated route through the neighborhood, covering key areas and landmarks. Along the way, participants engaged in various activities aimed at spreading awareness about the significance of voting. These activities included:

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Poster Exhibition: Eye-catching posters and banners were displayed, conveying messages related to voter registration, electoral transparency, and the rights and responsibilities of citizens in a democracy.

Slogans and Chants: Participants chanted slogans emphasizing the value of each vote and the role of citizens in shaping the future through democratic participation.

Interaction with Community Members: Rally participants interacted with local residents, engaging them in conversations about the electoral process, addressing any queries or concerns, and encouraging them to exercise their right to vote.

Distribution of Informational Material: Pamphlets, brochures, and other informational material were distributed among the attendees, providing essential information about voter registration procedures, polling locations, and election dates.

Impact: The Matdan Jagrukta Rally generated significant awareness and enthusiasm among participants regarding the upcoming elections. Through creative presentations and interactive activities, attendees gained a deeper understanding of their role as responsible citizens in a democratic society. The rally also served as a platform for fostering community engagement and collaboration in promoting voter participation.

Conclusion: The Matdan Jagrukta Rally organized by Sri Krishna Dutt Academy proved to be a resounding success in raising voter awareness and fostering civic engagement. By mobilizing students and community members, the event contributed to the promotion of a more informed and participatory electorate, essential for the health and vitality of democracy. Such initiatives play a crucial role in building a society where every voice is heard and every vote counts.

Dengue Awareness Programme at Sri Krishna Dutt Academy

Date: 16 May 2019

Sri Krishna Dutt Academy organized a Dengue Awareness Program aimed at educating students, staff, and the local community about the prevention and control of dengue fever. As part of the initiative, mosquito coils and sprays were distributed to mitigate mosquito breeding and reduce the risk of dengue transmission.

Raise Awareness: To educate participants about the signs, symptoms, and preventive measures of dengue fever.

Preventive Measures: To promote preventive actions, including mosquito control, sanitation, and personal protection measures.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Distribution of Mosquito Control Tools: Following the lecture, mosquito coils and sprays were distributed to students, staff, and community members. Demonstration sessions were conducted to illustrate the correct usage of these tools and maximize their effectiveness in mosquito control.

Community Outreach: The academy organized outreach activities, including door-to-door awareness campaigns and community meetings, to extend the reach of the program beyond the school premises. Information pamphlets and posters were distributed to disseminate key messages about dengue prevention.

Interactive Sessions: Interactive sessions, including quizzes, role-plays, and Q&A sessions, were conducted to engage participants actively and reinforce learning objectives. Students were encouraged to share their experiences and ideas for community-based dengue prevention initiatives.

Outcomes and Impact:

The Dengue Awareness Program and distribution of mosquito coils and sprays yielded significant **outcomes:**

Increased Awareness: Participants gained a better understanding of dengue fever, its symptoms, and preventive measures, leading to improved awareness and knowledge retention.

Mosquito Control: The distribution of mosquito coils and sprays equipped participants with practical tools to control mosquito populations and reduce the risk of dengue transmission in their surroundings.

Community Engagement: The program fostered community engagement and participation, encouraging collective action towards dengue prevention and control efforts.

Future Directions:

To sustain the momentum generated by the Dengue Awareness Program, Sri Krishna Dutt Academy plans to undertake the following initiatives:

Regular Monitoring and Evaluation: Conducting periodic assessments to measure the effectiveness of mosquito control measures and the impact on dengue incidence rates.

Capacity Building: Organizing training sessions for teachers, students, and community volunteers to empower them as advocates for dengue prevention and community health promotion.

Collaboration and Partnerships: Collaborating with local health authorities, NGOs, and community-based organizations to implement integrated dengue control programs and maximize outreach.

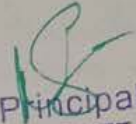

Outcome:

The Dengue Awareness Program and distribution of mosquito coils and sprays at Sri Krishna Dutt Academy exemplify proactive efforts to address public health challenges and promote

"EACH ONE PLANT ONE" Initiative BY Sri Krishna Dutt Academy

Date: 5 June 2019

Introduction:

Sri Krishna Dutt Academy, in its commitment to environmental sustainability and community engagement, launched the "Each One Plant One" initiative. This program aimed to encourage individuals to contribute to greening efforts by distributing and planting indigenous tree saplings within the academy premises and surrounding areas.

Initiative Overview:

The "Each One Plant One" initiative commenced on 5th June 2019 with a formal inauguration ceremony attended by students, faculty members, local officials, and environmental enthusiasts. The event featured speeches highlighting the significance of afforestation in mitigating climate change, improving air quality, and preserving biodiversity.

Key Activities:

Sapling Distribution: Sri Krishna Dutt Academy procured a diverse range of native tree saplings suitable for the local ecosystem. These saplings were distributed among students, staff, and members of the surrounding community, along with instructions for proper planting and care.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow.

Plantation Drives: Over the course of the initiative, several plantation drives were organized, wherein participants gathered to plant the distributed saplings in designated areas within the academy campus and adjacent public spaces. These drives fostered teamwork, community bonding, and a sense of environmental stewardship among participants.

Awareness Campaigns: The initiative included a lecture by Dr. Anshul Pant to educate participants about the importance of trees in ecological balance, carbon sequestration, and sustainable development. Students were also sensitized to the role they can play as environmental ambassadors in their communities.

Outcomes and Impact:

The "Each One Plant One" initiative yielded significant positive outcomes and impact:

Increased Green Cover: The concerted efforts of participants resulted in the planting of hundreds of new tree saplings, thereby enhancing the green cover and biodiversity of the academy and its surroundings.

Environmental Awareness: The initiative raised awareness about the importance of afforestation and environmental conservation, instilling a sense of responsibility and eco-consciousness among participants.

Community Engagement: The initiative fostered collaboration between the academy, local residents, and civic authorities, promoting a sense of community ownership and pride in environmental stewardship.

Future Directions: Building on the success of the "Each One Plant One" initiative, Sri Krishna Dutt Academy aims to sustain momentum in its greening efforts and expand its impact:

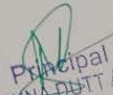

Continued Tree Care: Ensuring the survival and growth of planted saplings through regular maintenance, watering, and monitoring.

Scaling Up: Scaling up the initiative by reaching out to more schools, colleges, and community organizations to promote widespread participation in afforestation activities. Advocacy and Policy Support: Advocating for policy measures and incentives to incentivize tree plantation and conservation efforts at local, regional, and national levels.

Outcome:

The "Each One Plant One" initiative exemplifies Sri Krishna Dutt Academy's commitment to environmental stewardship, community engagement, and sustainable development. Through collective action and collaboration, the initiative has made significant strides towards greening the surroundings and nurturing a culture of environmental responsibility among stakeholders.

Report on Adult Education Program for 4th Class Employees at Sri Krishna Dutt Academy

Introduction:

Date: 8th July 2019 Sri Krishna Dutt Academy recognizes the importance of continuous learning and development for all its employees, including those in the 4th class category. In line with this commitment, an Adult Education Program was organized specifically for the 4th class employees to enhance their skills, knowledge, and overall well-being.

Objective: The primary objective of the Adult Education Program was to empower the 4th class employees with essential skills and knowledge that would not only improve their job performance but also enrich their personal lives.

Program Details:

Duration: The program spanned for 2 weeks, consisting of 12 sessions.

Topics Covered: Various topics were covered, including:

- Basic literacy and numeracy skills enhancement.
- Health and hygiene awareness.
- Financial literacy.
- Communication skills development.
- Occupational safety and health.

Delivery Method: The program utilized a combination of lectures, interactive workshops, group discussions, and practical exercises to ensure maximum engagement and learning retention.

Resource Persons: Teachers were asked to facilitate sessions on different subjects, ensuring the delivery of high-quality content.

Raibareilly Road, Lucknow

1. Krishna Kumar
2. Madhu Rani Kheda
3. Sunita Srivastava
4. Sunil Kumar Soni

Evaluation: Regular assessments and feedback sessions were conducted to gauge the effectiveness of the program and make necessary adjustments.

Participant Feedback:

Feedback from the participants was overwhelmingly positive. Many expressed gratitude for the opportunity to learn and grow, both professionally and personally. Some key highlights of the feedback include:

Increased confidence in performing job duties.

Improved understanding of personal finance management.

Enhanced communication skills leading to better workplace interactions.

Greater awareness of health and safety practices.

Outcome:

The Adult Education Program for 4th class employees at Sri Krishna Dutt Academy proved to be highly beneficial, equipping participants with valuable skills and knowledge essential for their personal and professional development. The academy remains committed to providing such opportunities in the future to foster a culture of continuous learning and improvement among all its employees.

Recommendations:

Based on the success of this program, it is recommended to:

Continue organizing similar adult education initiatives on a regular basis.

Expand the program to cover additional relevant topics based on the needs and feedback of the participants.

Explore opportunities for collaboration with external organizations or institutions to further enrich the learning experience. This concludes the report on the Adult Education Program for 4th class employees at Sri Krishna Dutt Academy.

ON

PLANTATION DRIVE

Date: July 13, 2019

On July 13, 2019, Sri Krishna Dutt Academy spearheaded a Plant Distribution Drive aimed at promoting environmental sustainability and green initiatives within the local community. The drive encompassed both the distribution of plants to individuals and the planting of a significant number of saplings in designated areas near Naseemganj Bangarmau.

The strategy for the Plant Distribution Drive was two-fold:

Distribution of Plants: Sri Krishna Dutt Academy procured a diverse range of saplings, including indigenous trees, flowering plants, and medicinal herbs, totaling 1000 plants. These plants were distributed free of charge to members of the community, including residents, schools, and local businesses, to encourage widespread adoption of green practices.

Plantation Drive: In addition to distributing plants, the academy organized a plantation drive wherein nearly 400 saplings were planted in identified areas near Naseemganj Bangarmau. This initiative aimed to enhance green cover, mitigate environmental degradation, and foster a culture of environmental stewardship among participants.

The Plant Distribution Drive unfolded as follows:

Distribution Process: Volunteers and organizers from Sri Krishna Dutt Academy meticulously planned the distribution process, ensuring the availability of a diverse assortment of plants to cater to varying preferences and needs. Distribution points were set up at strategic locations within the community to facilitate easy access for recipients.

Plantation Activity: Concurrently, volunteers and participants engaged in the plantation drive, working collaboratively to prepare the soil, plant saplings, and ensure proper watering and care. The plantation activities were conducted with utmost diligence and adherence to environmental conservation practices.

The Plant Distribution Drive organized by Sri Krishna Dutt Academy yielded several noteworthy achievements:

Environmental Impact: The distribution of 1000 plants and plantation of nearly 400 saplings significantly augmented green cover and biodiversity in the targeted areas, contributing to environmental conservation and ecological restoration efforts.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Community Participation: The drive elicited enthusiastic participation from members of the community, including residents, students, and volunteers, fostering a sense of collective responsibility towards environmental sustainability.

Awareness Generation: By distributing plants and engaging in plantation activities, the campaign raised awareness about the importance of preserving green spaces, combating climate change, and safeguarding natural resources for future generations.

The impact of the Plant Distribution Drive was profound and far-reaching:

Enhanced Green Cover: The plantation of 400 saplings and distribution of 1000 plants significantly enhanced green cover and biodiversity, improving air quality and ecological resilience in the targeted areas.

Community Engagement: The drive facilitated meaningful engagement and collaboration among participants, fostering a sense of environmental consciousness and shared responsibility towards nurturing the environment.

Sustainable Practices: By promoting the adoption of green practices and encouraging the cultivation of plants, the campaign laid the groundwork for sustainable development and environmental stewardship within the community.

Sri Krishna Dutt Academy's Plant Distribution Drive on July 13, 2019, epitomized the institution's commitment to environmental conservation and community welfare. Through concerted efforts and enthusiastic participation, the drive not only replenished green cover but also instilled a sense of pride and ownership among participants who contributed towards creating a greener and healthier environment.

Report on Swachh Bharat Abhiyan Organized at Sri Krishna Dutt Academy

Date: 30 September 2019

Objective:

The Swachh Bharat awareness activity organized by Sri Krishna Dutt Academy aimed to promote cleanliness and hygiene practices within the local community. The primary goal was to raise awareness about the importance of cleanliness, waste management, and sanitation to foster a cleaner and healthier environment.

Activities:

Cleanliness Drive: Volunteers from Sri Krishna Dutt Academy and members of the local community participated in a cleanliness drive to remove litter and debris from public areas such as streets, parks, and communal spaces. The initiative aimed to instill a sense of responsibility for keeping the surroundings clean and tidy.

Awareness Campaign: Informational sessions and awareness campaigns were conducted to educate residents about the significance of maintaining cleanliness and adopting hygienic practices in their daily lives. Topics covered included proper waste disposal methods, segregation of waste, and the importance of sanitation in preventing diseases.

Poster and Slogan Competition: A poster and slogan competition was organized among students and community members to creatively depict the message of Swachh Bharat. Participants showcased their artistic talents while conveying powerful messages about cleanliness and environmental conservation.

Distribution of Educational Materials: Educational materials such as pamphlets, brochures, and flyers containing tips on waste management, sanitation practices, and personal hygiene were distributed among community members to serve as informative resources for promoting cleanliness.

Report
Seminar on VIOLENCE AGAINST WOMEN
15 and 16 October 2019

Date: 16 October 2019

Resource Person: Prof. Nidhi Bala

Number of Students participated: 58

Introduction:

Sri Krishna Dutt Academy organized a two-day seminar dedicated to addressing the critical issue of violence against women. Held on 15 and 16 Oct 2019, the event aimed to raise awareness, foster dialogue, and encourage concrete actions towards combating gender-based violence. The seminar brought together scholars, activists, students, and community members to engage in meaningful discussions and propose actionable solutions.

Key Speakers and Presentations:

Prof. Nidhi Bala, Renowned Sociologist, Ex-head and Dean Dept. of Education, prof at University of Lucknow. She worked specially on women upliftment, progress and empowerment, delivered a keynote address elucidating the societal roots and implications of violence against women. She emphasized the need for comprehensive strategies encompassing legal, educational, and cultural dimensions to eradicate this pervasive issue.

Outcomes and Recommendations:

The seminar culminated in the formulation of key recommendations and action points to address violence against women comprehensively:

Strengthening legal mechanisms and enforcement to ensure swift and impartial justice for victims.

Introducing gender-sensitive educational curricula from an early age to foster respect, empathy, and gender equality.

Establishing robust support systems, including shelters, counseling services, and helplines, to empower survivors and facilitate their rehabilitation.

Promoting community mobilization and awareness campaigns to challenge harmful stereotypes, promote gender equity, and foster a culture of zero tolerance towards violence against women.

Conclusion:

The seminar on violence against women at Sri Krishna Dutt Academy served as a platform for constructive dialogue, knowledge-sharing, and advocacy. It underscored the collective responsibility of society to combat gender-based violence and reaffirmed the commitment of participants to work towards a more inclusive and equitable future for all.

Report on Medical Camp Organized at Sri Krishna Dutt Academy

Date: 04 November 2019

Objective:

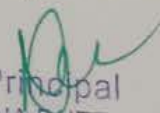

The medical camp organized by Sri Krishna Dutt Academy aimed to provide essential healthcare services to the local community. The primary focus was on offering medical consultations, health screenings, and awareness sessions to promote general well-being and disease prevention.

Activities:

Medical Consultations: Qualified healthcare professionals, including doctors, nurses, and paramedics, provided consultations to attendees. Patients had the opportunity to discuss their health concerns and receive expert advice on managing their conditions.

Health Screenings: Various health screenings were conducted to assess the participants' overall health status. These screenings included blood pressure checks, blood sugar tests, BMI measurements, and basic eye and dental examinations.

Health Education Sessions: Informative sessions were held to educate attendees about various health topics such as proper nutrition, hygiene practices, preventive measures against common illnesses, and the importance of physical activity.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Distribution of Medications: Essential medications were distributed to patients based on their healthcare needs and prescriptions provided by the attending physicians. This ensured that individuals had access to necessary treatments for their conditions.

Referral Services: Patients requiring further medical attention or specialized care were referred to appropriate healthcare facilities or specialists for follow-up evaluation and treatment.

Attendance:

The medical camp witnessed a significant turnout, with [insert number] individuals from the local community availing themselves of the services offered. Participants included people of all age groups, ranging from children to the elderly, reflecting the diverse healthcare needs of the community.

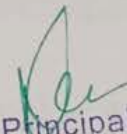

Impact:

The medical camp had a positive impact on the community by addressing immediate healthcare needs, raising awareness about preventive healthcare practices, and facilitating early detection of health issues. By providing free medical services and medications, the event helped alleviate the financial burden of healthcare expenses for many individuals and families.

Conclusion:

The medical camp organized by Sri Krishna Dutt Academy successfully fulfilled its objective of providing essential healthcare services to the community. Through medical consultations, health screenings, and educational sessions, the event contributed to improving the overall health and well-being of the attendees. Such initiatives play a crucial role in promoting health awareness and ensuring access to healthcare services for underserved populations. Sri Krishna Dutt Academy remains committed to continuing its efforts towards community health promotion and disease prevention in the future.

REPORT OF BLOOD DONATION CAMP

Date: December 5, 2019

On December 5, 2019, Sri Krishna Dutt Academy organized a Blood Donation Camp with the aim of contributing to the noble cause of saving lives through voluntary blood donation. The camp sought to raise awareness about the importance of blood donation and encourage participation from the academy's students, staff, and the wider community.

The strategy for the Blood Donation Camp involved meticulous planning and coordination to ensure a smooth and successful event. Prior to the camp, promotional activities were undertaken through various channels, including posters, social media platforms, and word-of-mouth, to generate awareness and encourage participation. The camp was equipped with necessary medical facilities, trained healthcare professionals, and refreshments for donors.

The Blood Donation Camp commenced early in the morning at the premises of Sri Krishna Dutt Academy. Volunteers and organizers worked tirelessly to set up registration desks, medical examination areas, and refreshment stations. Donors were greeted warmly and guided through the donation process by trained medical staff. Post-donation, donors were provided with refreshments and a token of appreciation for their contribution.

The Blood Donation Camp organized by Sri Krishna Dutt Academy yielded several key achievements:

Increased Participation: The camp witnessed a significant turnout of donors, including students, faculty members, and members of the local community, demonstrating widespread participation and support for the cause.

Lifesaving Impact: The donated blood will be utilized to meet the critical needs of patients requiring transfusions due to medical emergencies, surgeries, or chronic illnesses, potentially saving numerous lives.

Community Engagement: The event fostered a sense of community spirit and solidarity, bringing together individuals from diverse backgrounds in a shared endeavor to make a positive difference.

Impact Assessment:

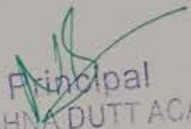

The impact of the Blood Donation Camp was profound and multifaceted:

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Raised Awareness: The camp succeeded in raising awareness about the importance of voluntary blood donation and dispelling misconceptions or apprehensions associated with the process.

Fostering Civic Responsibility: By actively participating in the camp, donors demonstrated a strong sense of civic responsibility and altruism, embodying the spirit of giving back to the community.

Sri Krishna Dutt Academy's Blood Donation Camp held on December 5, 2019, exemplified the institution's commitment to humanitarian causes and community welfare. Through concerted efforts and enthusiastic participation, the camp not only replenished blood reserves but also instilled a sense of pride and fulfillment among donors who contributed towards a lifesaving cause.

Poster Making Competition on World Cancer Awareness Day at Sri Krishna Dutt Academy

Date: 04 Feb 2020

Objective:

The poster making competition organized at Sri Krishna Dutt Academy on World Cancer Awareness Day aimed to raise awareness about cancer prevention, early detection, and treatment options among students, faculty, and staff. The competition provided a platform for participants to creatively express their understanding of cancer-related issues and promote positive messages of hope, support, and solidarity with cancer patients and survivors.

Activities:

Theme Selection: The competition theme focused on various aspects of cancer awareness, including risk factors, prevention strategies, importance of early detection, available support services, and messages

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

of encouragement for cancer patients and survivors. Participants were encouraged to explore the theme from different perspectives and communicate their ideas through visual storytelling.

Students of other colleges such as RKG education, Balramkrishna Academy and Gautam Buddha degree college were invited to register for the competition, either individually or in teams, expressing their interest in participating and showcasing their artistic talents. Registration forms included space for participants to provide a brief description of their poster concept and intended message.

Participants were given a specified time frame to create their posters using art supplies provided by the academy, including drawing paper, paints, markers, and other materials. Creativity, originality, and adherence to the theme were key criteria for judging the posters.

Judging Process: A panel of judges consisting of art instructor (Ms. Madhu Kheda), and representatives from the academy evaluated the posters based on artistic merit, message clarity, relevance to the theme, and overall impact. Judges provided constructive feedback to participants to encourage their artistic growth and promote awareness of cancer-related issues.

Following the poster creation phase, all entries were displayed in a designated exhibition area within the college premises, allowing students, faculty, and staff to view and appreciate the artwork. An award ceremony was held to recognize the outstanding contributions of participants and announce the winners of the competition in various categories.

The poster making competition witnessed enthusiastic participation from students, faculty, and staff of Sri Krishna Dutt Academy, with 18 individuals showcasing their artistic talents and creative expressions on the theme of cancer awareness. The diverse participation underscored the collective commitment of the academy community to raising awareness about cancer-related issues.

The poster making competition had a significant impact on promoting cancer awareness and fostering empathy and understanding towards individuals affected by cancer. Through creative expression and visual communication, participants effectively conveyed important messages about cancer prevention, early detection, and support for those undergoing cancer treatment. The competition served as a catalyst for initiating conversations about cancer-related issues and inspiring positive action within the academy community.

The poster making competition organized at Sri Krishna Dutt Academy on World Cancer Awareness Day exemplified the academy's commitment to promoting cancer awareness and supporting initiatives aimed at combating this global health challenge. Through artistic expression, creativity, and advocacy, participants contributed to raising awareness, dispelling myths, and fostering compassion for individuals affected by cancer. Sri Krishna Dutt Academy remains dedicated to continuing its efforts in cancer education, advocacy, and support for the well-being of its community members.

Report on Isolation center at Sri Krishna Dutt Academy

Introduction:

In response to the unprecedented challenges posed by the COVID-19 pandemic, Sri Krishna Dutt Academy took proactive measures to safeguard the health and well-being of its students, staff, and the broader community. Recognizing the importance of preparedness and response in mitigating the spread of the virus, the academy established an Isolation Center within its premises to provide essential care and support for individuals affected by COVID-19.

Purpose:

The primary objective of the Isolation Center is to create a safe and supportive environment for students or staff members who test positive for COVID-19 or exhibit symptoms requiring isolation. By offering dedicated facilities and resources, the center aims to ensure proper medical attention, quarantine protocols, and psychological support, thus minimizing the risk of transmission within the academy community.

Facilities and Resources:

The Isolation Center at Sri Krishna Dutt Academy is equipped with essential facilities and resources to cater to the needs of individuals requiring isolation due to COVID-19. These include:

Dedicated Isolation Rooms: The center comprises designated isolation rooms equipped with basic amenities to accommodate individuals in need of isolation. Each room is well-ventilated and furnished with essential supplies for comfort and convenience.

Medical Support: Trained medical personnel, including nurses and healthcare assistants, are stationed at the Isolation Center to provide round-the-clock medical support, monitoring vital signs, administering medications, and attending to any emergent healthcare needs.

Quarantine Facilities: In addition to isolation rooms, the center features quarantine facilities for individuals who have been in close contact with confirmed COVID-19 cases or exhibit symptoms warranting quarantine. These facilities adhere to strict quarantine protocols to prevent further transmission of the virus.

Psychological Support Services: Recognizing the emotional toll of isolation and illness, the Isolation Center offers psychological support services, including counseling and mental health resources, to individuals experiencing stress, anxiety, or other psychological challenges during their stay.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Sanitation and Hygiene Measures: Stringent sanitation and hygiene measures are implemented throughout the Isolation Center to maintain cleanliness and prevent the spread of infection. This includes regular disinfection of facilities, provision of hand hygiene stations, and adherence to infection control protocols.

Operational Procedures:

The Isolation Center operates under established protocols and guidelines to ensure efficient management of COVID-19 cases while safeguarding the health and safety of all individuals involved. Key operational procedures include:

Admission and Assessment: Individuals requiring isolation or quarantine are admitted to the Isolation Center following proper screening and assessment by medical personnel. Admission criteria include COVID-19 test results, symptoms severity, and exposure history.

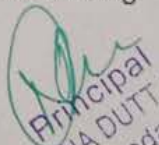

Medical Care and Monitoring: Upon admission, individuals receive appropriate medical care and monitoring based on their condition. Medical personnel conduct regular assessments, monitor vital signs, and administer medications as prescribed.

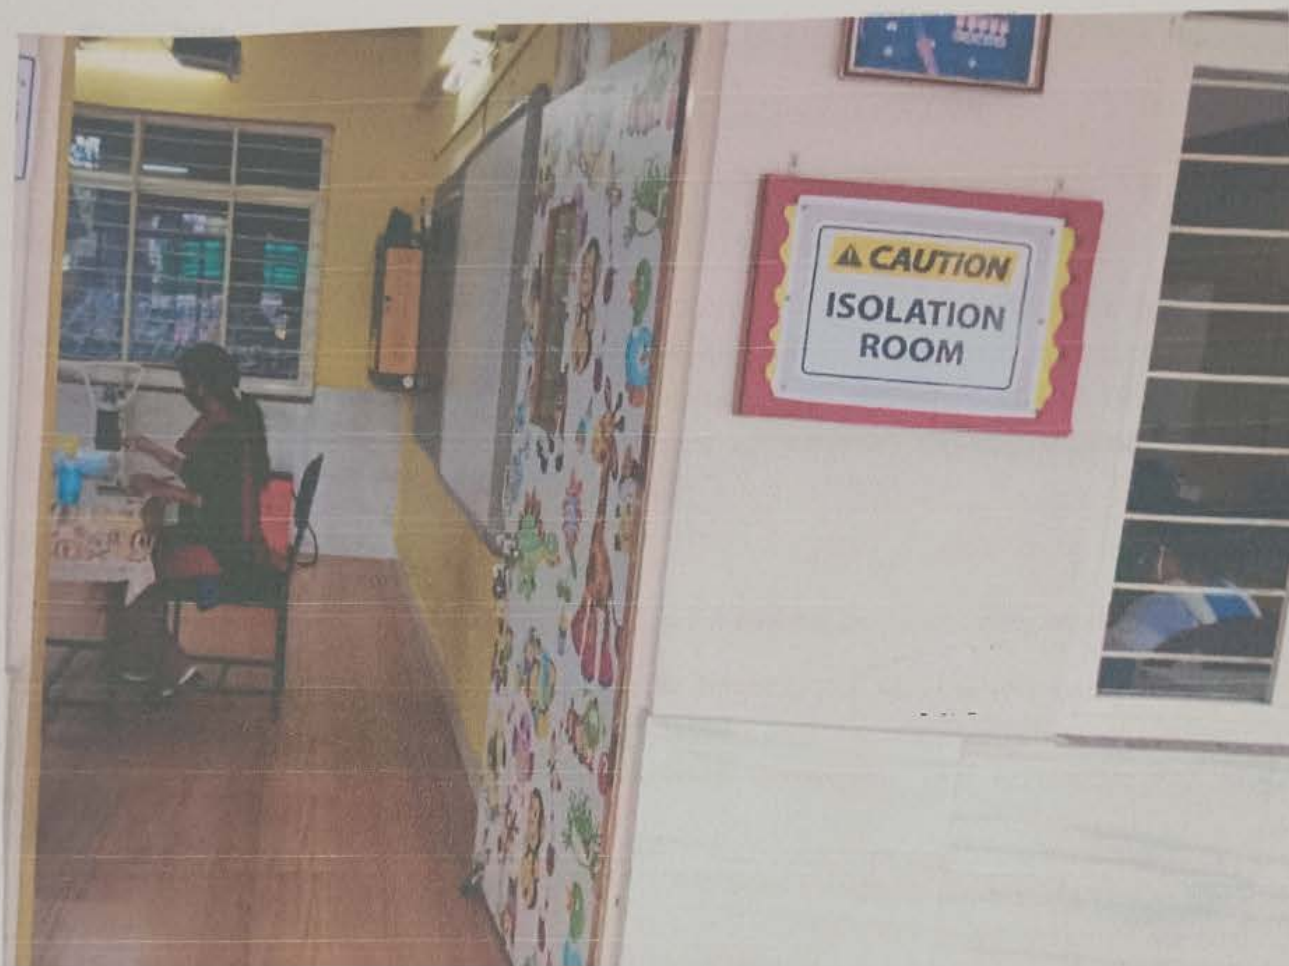

Communication and Support: Clear communication channels are established to provide regular updates and support to individuals in isolation or quarantine. This includes information on COVID-19 protocols, healthcare services, and psychological support resources.

Discharge and Follow-up: Individuals are discharged from the Isolation Center upon meeting criteria for recovery or completion of quarantine period. Discharge procedures include medical clearance, counseling on post-isolation precautions, and follow-up arrangements as needed.

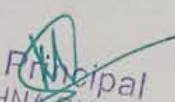

Conclusion:

The establishment of the Isolation Center at Sri Krishna Dutt Academy underscores the institution's commitment to prioritizing the health and safety of its students, staff, and the wider community amidst the COVID-19 pandemic. By providing dedicated facilities and resources for isolation and quarantine, the center aims to mitigate the spread of the virus and ensure comprehensive care and support for individuals affected by COVID-19. Through effective operational procedures and collaboration with healthcare professionals, Sri Krishna Dutt Academy endeavors to navigate the challenges of the pandemic with resilience, compassion, and a steadfast commitment to collective well-being.

Report on vaccination camp being set -up at Sri Krishna Dutt Academy

Introduction:

Amidst the ongoing global effort to combat the COVID-19 pandemic, Sri Krishna Dutt Academy took proactive steps to contribute to community health and safety by hosting a vaccination camp within its premises. The initiative aimed to facilitate easy access to COVID-19 vaccines for students, staff, and members of the surrounding community, thereby supporting national vaccination efforts and promoting herd immunity.

Objectives:

The primary objectives of the vaccination camp at Sri Krishna Dutt Academy were as follows:

Provide Convenient Access to Vaccination: By hosting the vaccination camp on-site, the academy aimed to eliminate barriers to vaccination, such as transportation challenges and scheduling conflicts, and make the process more convenient and accessible for eligible individuals.

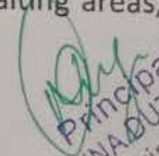

Promote Vaccine Awareness and Education: In addition to administering vaccines, the camp provided information and resources to raise awareness about the importance of vaccination, dispel myths and misconceptions, and empower individuals to make informed decisions regarding their health.

Contribute to Herd Immunity: By vaccinating a significant portion of the academy community and surrounding population, the camp aimed to contribute to the achievement of herd immunity, thereby reducing the spread of COVID-19 and protecting vulnerable individuals from severe illness.

Implementation:

The vaccination camp at Sri Krishna Dutt Academy was meticulously planned and executed in collaboration with local health authorities and healthcare professionals. Key implementation steps included:

Preparatory Arrangements: Prior to the vaccination camp, the academy liaised with health authorities to procure vaccines, secure necessary permits, and ensure compliance with safety protocols. Adequate infrastructure, including designated vaccination areas, waiting areas, and observation zones, was set up within the academy premises.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Registration and Screening: Eligible individuals were invited to register for the vaccination camp through online portals or onsite registration desks. Upon arrival, participants underwent screening to assess their eligibility for vaccination and identify any contraindications or health concerns.

Vaccine Administration: Qualified healthcare professionals administered COVID-19 vaccines to registered participants following established vaccination protocols and guidelines. Strict infection control measures were observed to minimize the risk of transmission during the vaccination process.

Post-Vaccination Monitoring: Following vaccination, participants were directed to designated observation areas where they were monitored for any immediate adverse reactions or side effects. Medical personnel were on standby to provide prompt assistance if needed.

Education and Outreach: Concurrent with vaccine administration, educational materials, and interactive sessions were conducted to address common questions and concerns about COVID-19 vaccines, emphasize the importance of completing the vaccination series, and reinforce preventive measures.

Outcome:

The vaccination camp at Sri Krishna Dutt Academy yielded significant outcomes in advancing community health and safety:

Increased Vaccination Coverage: The camp facilitated the administration of a substantial number of COVID-19 vaccine doses to students, staff, and members of the local community, thereby increasing vaccination coverage and contributing to the overall immunization efforts.

Enhanced Vaccine Confidence: Through education and outreach activities, the camp played a pivotal role in enhancing vaccine confidence and dispelling misinformation, fostering trust in the safety and efficacy of COVID-19 vaccines among participants.

Strengthened Community Resilience: By actively engaging in vaccination efforts, Sri Krishna Dutt Academy demonstrated its commitment to community well-being and resilience in the face of the pandemic, instilling a sense of solidarity and collective responsibility among stakeholders.

Conclusion:

The successful implementation of the vaccination camp at Sri Krishna Dutt Academy exemplifies the institution's proactive approach to promoting community health and safety during the COVID-19 pandemic. By providing convenient access to vaccines, fostering vaccine awareness, and contributing to herd immunity, the camp has made a significant impact in the fight against COVID-19, underscoring the importance of collaborative efforts between educational institutions, healthcare providers, and the wider community. As Sri Krishna Dutt Academy continues to prioritize the health and well-being of its stakeholders, the vaccination camp serves as a testament to its commitment to fostering a safe and resilient learning environment for all.

Webinar COVID-19 Testing Technologies From PCR To Rapid Antigen Test

Aug, 7
2020
9:00-12:00 noon

Introduction to COVID-19 Testing

overview of COVID-19 testing in managing the pandemic and the importance of identifying infected individuals to prevent the spread of the virus.

PCR (Polymerase Chain Reaction) Testing

principles behind PCR testing, its accuracy, and its role as the gold standard for COVID-19 diagnosis: process of

Types of PCR Tests

traditional PCR, real-time PCR (RT-PCR), and loop-mediated isothermal amplification (LAMP). Highlight their advantages, limitations, and applications

Challenges and Limitations of PCR Testing

need for specialized equipment, longer turnaround times, and the potential for false negatives

Emergence of Rapid Antigen Tests

faster alternative to PCR testing. Explain how they work, their principle of detecting viral proteins, and their potential advantages in terms of speed and ease of use.

Performance Characteristics of Rapid Antigen Tests

faster alternative to PCR testing: principle of detecting viral proteins and their potential advantages in terms of speed and ease of use.

Regulatory Approval and Deployment

Regulatory approval process for COVID-19 diagnostic tests, including emergency use authorizations (EUAs) by regulatory agencies like the FDA.

Implementation Challenges and Considerations

practical considerations for deploying COVID-19 testing technologies, including supply chain issues, cost-effectiveness, scalability, and equitable access to testing.

Aug, 8
2020
1:30-4:30 noon

Dr. Manish Jha is a distinguished cardiologist and senior physician renowned for his expertise and dedication to cardiovascular health. With a wealth of experience and a commitment to patient well-being, Dr. Jha stands as a pillar of excellence in his field. Known for his compassionate approach and commitment to personalized care, he has earned the trust and admiration of his patients and colleagues alike. As a senior doctor, Dr. Jha's contributions extend beyond clinical practice, encompassing leadership, mentorship, and a relentless pursuit of advancements in cardiac care

As the Clinical Director of SKD Hospital, Dr. Ashish Singh leads with a blend of clinical expertise and administrative acumen. His role encompasses overseeing the medical operations, ensuring the delivery of high-quality patient care, and fostering collaborative environment

among healthcare professionals. Dr. Singh's leadership at SKD Hospital exemplifies a commitment to excellence, innovation, and patient-centered care, driving the institution towards its mission of providing compassionate and comprehensive healthcare services to the community.

SEMINAR REPORT

ON

**COVID-19 TESTING TECHNOLOGIES FROM PCR TO RAPID
ANTIGEN TEST**

7TH AND 8TH AUGUST 2020

Date: 8th August 2020

No. Participants: 47

A two-day seminar titled "COVID-19 Testing Technologies from PCR to Rapid Antigen Test" was organized by Sri Krishna Dutt Academy in Lucknow on August 7 and 8, 2020. The seminar aimed to provide an overview of the various COVID-19 testing technologies, including polymerase chain reaction (PCR) and rapid antigen tests, and their applications in the diagnosis and management of COVID-19.

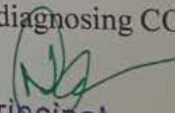

Seminar Objectives

1. COVID-19 Testing Technologies: The seminar focused on providing an understanding of the different COVID-19 testing technologies, including PCR, rapid antigen tests, and other diagnostic methods.
2. Applications in Diagnosis and Management: Participants learned about the applications of these testing technologies in the diagnosis and management of COVID-19, including their strengths and limitations.
3. Future Prospects: The seminar explored the future prospects of COVID-19 testing technologies, including advancements in diagnostic tools and their potential impact on public health.

Seminar Highlights

Day 1: PCR and Molecular Diagnostics

The seminar began with an overview of PCR and molecular diagnostics, including the principles and applications of these technologies in COVID-19 testing. Participants learned about the advantages and limitations of PCR and molecular diagnostics in diagnosing COVID-19.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan, Varanasi

Day 2: Rapid Antigen Tests and Other Diagnostic Methods

The second day focused on rapid antigen tests and other diagnostic methods, including lateral flow tests and serological tests. Participants learned about the principles and applications of these tests in COVID-19 diagnosis and management. The seminar also featured panel discussions and interactive sessions, allowing participants to engage with the speakers and ask questions about the various COVID-19 testing technologies and their applications.

The seminar received positive feedback from participants, who appreciated the comprehensive coverage of COVID-19 testing technologies and their applications. The seminar was well-organized and well-structured, with engaging lectures and interactive sessions.

The "COVID-19 Testing Technologies from PCR to Rapid Antigen Test" seminar was a valuable experience for participants. The seminar provided an overview of the various COVID-19 testing technologies and their applications in the diagnosis and management of COVID-19. Sri Krishna Dutt Academy should be commended for organizing such a comprehensive and engaging seminar, which has undoubtedly enhanced the knowledge and understanding of the participating students and healthcare professionals.

REPORT ON MENTAL HEALTH COUNCELLING DURING COVID-19

Amidst the unprecedented challenges posed by the COVID-19 pandemic, Sri Krishna Dutt Academy, undertook a mental health counseling initiative to support its students. Recognizing the adverse effects of the pandemic on students' well-being, the counseling program aimed to provide psychological support, coping strategies, and resources to navigate these uncertain times.

- To assess the mental health needs of students during the COVID-19 pandemic.
- To provide counseling and emotional support to students facing stress, anxiety, and other mental health issues.
- To equip students with coping mechanisms and resilience-building strategies to manage pandemic-related challenges effectively.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Needs Assessment: The initiative began with a comprehensive assessment of students' mental health needs through surveys, interviews, and feedback sessions. This helped identify prevalent concerns and tailor counseling services accordingly.

Counseling Sessions: Trained counselors from Disha Educational Trust conducted individual and group counseling sessions for students. These sessions addressed various mental health issues such as anxiety, depression, loneliness, and academic stress exacerbated by the pandemic.

Psychoeducation Workshops: Interactive workshops were organized to educate students about mental health, stress management, and self-care practices. Topics included *mindfulness*, *relaxation techniques*, time management, and maintaining work-life balance during remote learning.

Online Support Platforms: Recognizing the importance of accessibility, online support platforms such as virtual counseling sessions, chat helplines, and informational resources were established. This facilitated ongoing support and guidance for students who may have difficulty accessing in-person services.

Collaboration with School Staff: Close collaboration with teachers and school staff ensured a holistic approach to student support. Teachers were trained to recognize signs of distress and provide initial support while referring students to counseling services when necessary.

Outcomes:

Increased Awareness: The counseling initiative raised awareness about mental health issues and encouraged destigmatization, fostering a supportive and inclusive school environment.

Enhanced Coping Skills: Students reported improved coping skills, resilience, and emotional regulation, enabling them to navigate challenges more effectively.

Academic Performance: The provision of mental health support positively impacted students' academic performance, as they were better equipped to manage stress and focus on their studies.

Community Engagement: The collaboration between Sri Krishna Dutt Academy and Disha Educational Trust strengthened community engagement and highlighted the importance of partnership in addressing mental health needs.

The mental health counseling initiative undertaken by Sri Krishna Dutt Academy in collaboration with Disha Educational Trust played a crucial role in supporting students' well-being during the COVID-19 pandemic. By providing counseling, psychoeducation, and online support platforms, the initiative addressed the diverse mental health needs of students and fostered a culture of care and resilience within the school community. Moving forward, continued efforts to prioritize mental health support will be essential in promoting students' overall well-being and academic success.

National Webinar

on

The Gut-Brain Connection: Exploring the Influence of Gut Health on Mental Well-being

(Nov 12-Nov 13, 2020)

The webinar will delve into the intricate relationship between the gut and the brain, known as the gut-brain axis, and its profound impact on mental health. Leading Experts will discuss how gut microbiota composition, dietary habits, and lifestyle factors influence cognitive function, mood regulation, and the development of psychiatric disorders.

KEY DISCUSSION POINTS

Microbiome Diversity

Explore the role of gut microbiota in maintaining gut-brain communication and regulating neurotransmitter production.

Speaker: Dr. Sudhir Kumar, Department of Microbiology, SGPGIMS, Lucknow

Nutritional Psychiatry

Discuss the emerging field of nutritional psychiatry and its potential for managing mental health disorders through dietary interventions.

Speaker: Dr. Sneha Verma, Assistant Professor, Invertis University, Bareilly

Stress Response

Examine the bidirectional relationship between stress, gut health, and mental well-being, highlighting strategies to mitigate the effects of chronic stress.

Speaker: Mr. Pankaj Jangid, Senior Nursing Officer, Employees' State Insurance Corporation, Lucknow

Clinical Implications

Address the implications of gut-brain interactions for the diagnosis and treatment of psychiatric conditions such as depression, anxiety, and autism spectrum disorders.

Speaker: Dr. Ashvini Mishra, Psychiatrist, Employees' State Insurance Corporation, Lucknow

Lifestyle Interventions

Explore evidence-based lifestyle modifications, including diet, exercise, and probiotic supplementation, for optimizing gut health

REPORT FOR SEMINAR ON

GUT-BRAIN CONNECTION: EXPLORING THE INFLUENCE OF HEALTH ON MENTAL WELL BEING

12TH AND 13TH NOVEMBER 2020

Date: 13th November 2020

No. Participants: 42

A two-day seminar titled "Gut-Brain Connection: Exploring the Influence of Gut Health on Mental Well-Being" was organized by Sri Krishna Dutt Academy in Lucknow on November 12 and 13, 2020. The seminar aimed to delve into the intricate relationship between gut health and mental well-being, highlighting the emerging research and implications for overall health.

Seminar Objectives

1. Gut-Brain Connection: The seminar focused on elucidating the bidirectional communication between the gut and the brain, emphasizing how gut health can impact mental well-being and cognitive function.
2. Impact on Mental Health: Participants explored the influence of gut microbiota on mental health conditions such as anxiety, depression, and stress, and how dietary interventions can potentially improve mental well-being.
3. Holistic Health Approach: The seminar aimed to promote a holistic approach to health by recognizing the interconnectedness of gut health and mental well-being, and the implications for overall health and wellness.

Seminar Highlights

Day 1: Understanding the Gut-Brain Axis

The seminar commenced with an overview of the gut-brain axis, detailing the communication pathways between the gut microbiota and the central nervous system. Participants learned about the role of gut microbes in influencing brain function and mental health.

Day 2: Dietary Interventions and Mental Well-Being

The second day focused on dietary interventions and their impact on mental well-being. Speakers discussed the importance of a balanced diet rich in probiotics, prebiotics, and

nutrients for promoting gut health and supporting mental wellness. The seminar also featured interactive sessions, case studies, and expert panels, allowing participants to engage with the speakers, ask questions, and discuss the practical implications of the gut-brain connection on mental health.

The seminar received positive feedback from participants, who found the discussions enlightening and thought-provoking. Attendees appreciated the interdisciplinary approach of the seminar, bridging the gap between gut health and mental well-being, and its relevance to contemporary health practices.

The "Gut-Brain Connection: Exploring the Influence of Gut Health on Mental Well-Being" seminar provided valuable insights into the intricate relationship between gut health and mental well-being. By shedding light on the emerging research and implications for holistic health, the seminar contributed to a deeper understanding of the interconnectedness of gut health and mental wellness. Sri Krishna Dutt Academy is commended for organizing such an informative and engaging seminar that has undoubtedly enriched the knowledge and awareness of the participants regarding the vital link between gut health and mental well-being.

Report on Food and Essential Items Distribution by Sri Krishna Dutt Academy

Introduction:

Date: 04 January 2021

In the wake of the unprecedented challenges posed by the COVID-19 pandemic, Sri Krishna Dutt Academy took proactive measures to support the local community in need. Recognizing the significance of food security and access to essential items, the academy launched a comprehensive distribution program aimed at alleviating the hardships faced by individuals and families during these trying times.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HAS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Distribution Strategy:

The academy employed a multifaceted approach to ensure the efficient and equitable distribution of food and essential items. Leveraging existing networks and partnerships within the community, they identified vulnerable populations and devised targeted outreach strategies to reach those most in need. Additionally, the academy collaborated with local authorities and charitable organizations to maximize the impact of their efforts.

Key Initiatives:

Food Distribution Drives: Sri Krishna Dutt Academy organized regular food distribution drives, providing nutritious meals and food parcels to underserved communities. These drives were conducted in adherence to safety protocols to mitigate the risk of COVID-19 transmission.

Essential Items Provision: Recognizing the importance of access to essential items beyond food, the academy also distributed hygiene kits, personal protective equipment (PPE), and other essential supplies to promote health and well-being among recipients.

Community Engagement and Awareness: Beyond material support, the academy engaged in community outreach initiatives to raise awareness about COVID-19 prevention measures, mental health support services, and government assistance programs available to those affected by the pandemic.

Collaborative Efforts: Sri Krishna Dutt Academy fostered collaborations with local businesses, NGOs, and government agencies to expand the reach and impact of their distribution efforts. By pooling resources and expertise, they were able to amplify their support for the community.

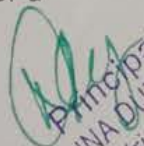

Impact and Outcomes:

The initiatives undertaken by Sri Krishna Dutt Academy had a profound impact on the local community during the COVID-19 pandemic. By providing essential sustenance and support services, they helped alleviate the immediate hardships faced by vulnerable individuals and families. Moreover, their efforts contributed to fostering a sense of solidarity and resilience within the community, demonstrating the power of collective action in times of crisis.

Conclusion:

In the face of adversity, Sri Krishna Dutt Academy exemplified compassion, empathy, and solidarity through their food and essential items distribution initiatives. By prioritizing the well-being of the local community and rallying support from various stakeholders, they played a pivotal role in mitigating the impact of the COVID-19 pandemic and fostering hope for a brighter future.

“Sanitizer and Mask Distribution”

On February 15, 2021, Sri Krishna Dutt Academy organized a community service event focused on distributing sanitizers and masks to promote health and safety during the ongoing COVID-19 pandemic. The event aimed to contribute to public health awareness and support individuals in accessing essential protective equipment.

Event Details:

The event took place at Sri Krishna Dutt Academy premises, located in [Location]. It commenced at [Start Time] and concluded at [End Time]. The initiative was led by the academy's faculty members, staff, and student volunteers who actively participated in organizing and executing the distribution process.

Participants and Beneficiaries:

The event attracted participation from various segments of the local community, including students, parents, teachers, and residents from nearby areas. Beneficiaries of the initiative included individuals from economically disadvantaged backgrounds who may have faced challenges in accessing sanitizers and masks due to financial constraints.

The distribution event had a positive impact on the community by promoting awareness of the importance of hygiene and protective measures against COVID-19. By providing free sanitizers and masks, Sri Krishna Dutt Academy contributed to reducing the risk of virus transmission and safeguarding the health of community members.

Participants and Beneficiaries:

The event attracted participation from various segments of the local community, including students, parents, teachers, and residents from nearby areas. Beneficiaries of the initiative included individuals from economically disadvantaged backgrounds who may have faced challenges in accessing sanitizers and masks due to financial constraints.

Impact:

The distribution event had a positive impact on the community by promoting awareness of the importance of hygiene and protective measures against COVID-19. By providing free sanitizers and masks, Sri Krishna Dutt Academy contributed to reducing the risk of virus transmission and safeguarding the health of community members.

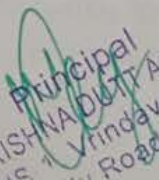

Feedback and Response:

Feedback from participants and beneficiaries was overwhelmingly positive, with expressions of gratitude for the academy's proactive approach to public health. Many individuals appreciated the accessibility of essential protective equipment, especially during a time of heightened health concerns.

Conclusion:

The Sanitizer and Mask Distribution event organized by Sri Krishna Dutt Academy on February 15, 2021, served as a commendable example of community engagement and social responsibility. By prioritizing public health and safety, the academy demonstrated its commitment to serving the needs of the community and fostering a culture of care and solidarity during challenging times.

Report on Initiative of sanitizing the campus as well as nearby community during Covid-19 Pandemic

by Sri Krishna Dutt Academy

Introduction:

In response to the unprecedented challenges posed by the COVID-19 pandemic, Sri Krishna Dutt Academy implemented a comprehensive sanitization initiative to safeguard the health and well-being of its campus inhabitants and the surrounding community. Recognizing the critical importance of maintaining a clean and hygienic environment to prevent the spread of the virus, the academy undertook proactive measures to ensure thorough sanitization and disinfection protocols were in place.

Sanitization Strategy:

Sri Krishna Dutt Academy devised a meticulous sanitization strategy encompassing both its campus premises and the nearby community. Leveraging a combination of in-house resources, external partnerships, and volunteer efforts, the academy implemented regular sanitization routines tailored to the specific needs of different areas and populations.

Key Initiatives:

Campus Sanitization: The academy prioritized the sanitization of its campus facilities, including classrooms, laboratories, administrative buildings, and common areas. Dedicated teams were tasked with conducting routine disinfection procedures using WHO-recommended sanitizers and disinfectants to minimize the risk of COVID-19 transmission among students, faculty, and staff.

Community Outreach: In addition to campus sanitization efforts, Sri Krishna Dutt Academy extended its initiatives to the surrounding community. Collaborating with local authorities and community leaders, the academy organized sanitization drives in public spaces, residential areas, and high-traffic areas frequented by residents. These efforts aimed to promote public health and hygiene beyond the confines of the academy campus.

Awareness Campaigns: Recognizing the importance of education and awareness in combating the spread of COVID-19, the academy launched information campaigns to disseminate accurate information about sanitization practices, personal hygiene, and COVID-19 prevention measures.

Principal

SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

These campaigns utilized various channels, including social media, posters, leaflets, and community meetings, to reach a wide audience and encourage compliance with recommended guidelines.

Volunteer Engagement: Sri Krishna Dutt Academy mobilized volunteers from its student body, faculty, and staff to actively participate in sanitization efforts. Through volunteer-driven initiatives, such as clean-up drives and awareness workshops, the academy fostered a sense of collective responsibility and community engagement in the fight against COVID-19.

Impact and Outcomes:

The sanitization initiatives undertaken by Sri Krishna Dutt Academy yielded significant positive outcomes for both the campus community and the broader local population. By prioritizing proactive sanitization measures, the academy helped mitigate the risk of COVID-19 transmission, thereby safeguarding the health and safety of students, faculty, staff, and community members. Moreover, their concerted efforts contributed to raising awareness about the importance of hygiene and fostering a culture of responsibility and resilience in the face of adversity.

Conclusion:

In the face of the COVID-19 pandemic, Sri Krishna Dutt Academy demonstrated exemplary leadership and commitment to public health through its sanitization initiatives. By proactively addressing the need for cleanliness and hygiene within its campus and the surrounding community, the academy played a crucial role in mitigating the spread of the virus and promoting the well-being of all stakeholders. Moving forward, continued vigilance and collaboration will remain essential in sustaining these efforts and ensuring a safe and healthy environment for all.

SEMINAR REPORT

ON

**PANDEMIC PREPAREDNESS AND RESPONSIBLE LESSONS LEARNED FROM
COVID-19**

5TH TO 9TH FEBRUARY 2021

Date: 9th February 2021

No. Participants: 45

A two-day seminar titled "Pandemic Preparedness and Responsible Lessons Learned from COVID-19" was organized by Sri Krishna Dutt Academy in Lucknow on February 5 and 9, 2021. The seminar aimed to provide an overview of the pandemic preparedness strategies and the lessons learned from the COVID-19 pandemic, with a focus on responsible and sustainable approaches to public health.

Day 1: February 5th, 2021

The seminar commenced with an overview of the global impact of the COVID-19 pandemic, highlighting its unprecedented challenges and implications for public health, economy, and society. Renowned experts in epidemiology and infectious diseases shared insights into the virus's origins, transmission dynamics, and global spread. Participants engaged in discussions on the importance of early detection, effective containment measures, and the role of international collaboration in addressing pandemics. Key themes included:

- Importance of data-driven decision-making in pandemic response.
- Challenges in balancing public health interventions with socio-economic considerations.
- Lessons learned from past pandemics and their relevance to COVID-19.

Day 2: February 6th, 2021

The focus of the second day was on evaluating healthcare systems' preparedness and resilience in the face of pandemics. Speakers discussed strategies to enhance healthcare infrastructure, including:

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vindavan Yojna
Raibareilly Road, Lucknow

- Investing in medical equipment, facilities, and personnel.
- Improving surveillance and early warning systems.
- Enhancing capacity for testing, tracing, and treatment.

Participants exchanged ideas on building adaptive healthcare systems capable of responding effectively to evolving health threats while ensuring equitable access to care for all segments of society.

Day 3: February 7th, 2021

On the third day, attention turned to public health policies and community engagement strategies in mitigating the spread of COVID-19. Presentations highlighted the effectiveness of various interventions, such as:

- Lockdowns, social distancing, and mask mandates.
- Vaccination campaigns and herd immunity.
- Communication strategies to combat misinformation and promote adherence to guidelines.

Discussions emphasized the need for evidence-based policymaking, transparent communication, and fostering trust between authorities and the public to achieve optimal outcomes in pandemic management.

Day 4: February 8th, 2021

Day four centered on vaccine development, distribution, and equitable access. Experts provided updates on vaccine research, clinical trials, and regulatory approvals, underscoring the importance of:

- Accelerating vaccine production and distribution.
- Ensuring fair and inclusive vaccine access, especially for marginalized populations.
- Addressing vaccine hesitancy and misinformation.

Participants explored innovative approaches to vaccine delivery, including prioritization strategies, cold chain management, and public outreach campaigns to promote vaccination acceptance and coverage.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vindavari Yojna
Raibareilly Road, Lucknow

Day 5: February 9th, 2021

The final day of the seminar focused on synthesizing key insights and recommendations into actionable strategies for building resilience and preparedness for future pandemics. Participants collaborated in workshops and brainstorming sessions to develop:

- Comprehensive pandemic response plans at national, regional, and local levels.
- Mechanisms for ongoing monitoring, evaluation, and adaptation of response strategies.
- Partnerships and networks for sharing best practices, resources, and expertise.

The seminar concluded with a call to action for sustained commitment and collective action in advancing pandemic preparedness and responsible governance in the post-COVID era.

The seminar on pandemic preparedness and responsible lessons learned from COVID-19 provided a valuable platform for knowledge exchange, collaboration, and forward-thinking discussions among diverse stakeholders. Participants departed with renewed insights, strengthened partnerships, and a shared commitment to fostering resilient, inclusive, and sustainable health systems in the face of future pandemics.

Report of Quiz organized on the topic "Testing your knowledge on Pandemic"

Date: 10 March 2021

Introduction:

The BSc Department of Sri Krishna Dutt Academy organized an engaging quiz session titled "Testing Your Knowledge on Pandemic" aimed at the working and non-working staff, as well as students of the college. The quiz served as an interactive platform to assess and enhance participants' understanding of various aspects related to pandemics, particularly in the context of the ongoing COVID-19 crisis.

Quiz Format:

The quiz comprised multiple-choice questions covering a wide range of topics related to pandemics, including epidemiology, public health measures, disease transmission, preventive strategies, and global responses to the COVID-19 pandemic. The questions were designed to be informative, thought-provoking, and reflective of current scientific knowledge and guidelines.

Participant Engagement:

The quiz session witnessed active participation from staff and students across different departments of the college. Participants enthusiastically engaged in answering the questions, demonstrating their interest and awareness regarding pandemic-related issues. The interactive nature of the quiz encouraged healthy competition and facilitated collaborative learning among attendees.

Key Topics Covered:

- Epidemiology of Pandemics
- Modes of Disease Transmission
- Public Health Measures and Guidelines

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

- COVID-19 Testing and Diagnosis
- Vaccination Strategies and Immunization Programs
- Global Response to the COVID-19 Pandemic
- Psychological and Societal Impact of Pandemics
- Strategies for Mitigating Pandemic Risks and Preparedness

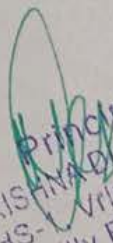

Outcome and Recognition:

Participants showcased their knowledge and understanding of pandemic-related concepts, contributing to a vibrant and intellectually stimulating atmosphere. The quiz provided an opportunity for individuals to test their knowledge, learn new information, and gain insights into the complexities of managing pandemics effectively.

Conclusion:

The "Testing Your Knowledge on Pandemic" quiz organized by the BSc Department of Sri Krishna Dutt Academy served as a valuable platform for fostering awareness, education, and dialogue surrounding pandemics. By engaging participants from diverse backgrounds, the quiz promoted a deeper understanding of pandemic-related issues and encouraged proactive involvement in efforts to combat infectious diseases such as COVID-19. The event underscored the importance of continuous learning, preparedness, and collective action in addressing the challenges posed by pandemics and safeguarding public health.

Report on

Visit to Cheshire home

Date 02 November 2021

Introduction:

On November 2, 2021, a group of students from Sri Krishna Dutt Academy, accompanied by teachers, had the privilege of visiting Cheshire Home, a residential care facility for individuals with disabilities. This report aims to provide an overview of our visit, including our observations, experiences, and reflections.

Purpose of the Visit:

The primary objective of our visit to Cheshire Home was to gain a better understanding of the lives and challenges faced by people with disabilities. Additionally, we aimed to interact with the residents, offer our support, and contribute positively to their well-being.

Upon arrival, we were warmly welcomed by the staff and residents of Cheshire Home. The atmosphere was one of positivity and resilience despite the various disabilities present among the residents. We were given a tour of the facility, which included dormitories, recreational areas, and therapy rooms.

During our interaction with the residents, we were deeply moved by their stories of perseverance and determination. Despite their disabilities, they exhibited remarkable courage and optimism. We engaged in various activities with them, including art and craft sessions, games, and music therapy. These activities not only brought joy to the residents but also fostered a sense of inclusivity and camaraderie among us.

Furthermore, we had the opportunity to learn about the challenges faced by the staff in providing comprehensive care and support to the residents. Limited resources and funding constraints were identified as significant obstacles in ensuring the well-being and development of the residents.

About Sri Krishna Dutt Academy, Lucknow

Sri Krishna Dutt Academy is an emerging institute of excellence in the field of Education located in the Historic Town of Lucknow. The college is run by the SKD group on Institutions, which has been in the field of education for more than 30 years. The college is approved by the NCTE, New Delhi and is affiliated to the University of Lucknow, Lucknow.

B.Ed. Course started in the year 2016. The B.Com. Course Started in 2017. Then in 2018 we started the B.sc. course. The Affiliation with University of Lucknow for such a progressive intake is a testament to the college's consistent growth over the years.

The seminar on Gender Equity delved into the multifaceted challenges, potential strategies, and viable solutions towards achieving parity between genders. Attendees, ranging from policymakers to grassroots activists, engaged in fruitful discussions and knowledge-sharing sessions aimed at fostering a deeper understanding of the issues at hand and identifying actionable steps towards progress.

- Gender Pay Gap:
- Gender-Based Violence
- Lack of Representation
- Access to Education
- Unpaid Care Work
- Legislative Reforms for promoting gender equality,
- Education and Awareness to challenge gender stereotypes and to raise awareness about women's rights and gender equality.
- Empowerment Initiatives

2021-22

A two-day seminar on "Gender Equity: Problems, Strategies and Solutions" was organized by Sri Krishna Dutt Academy in Lucknow on November 22nd and 23rd, 2021. The seminar aimed to discuss the challenges faced in achieving gender equity and explore effective strategies and solutions to address these issues. The seminar brought together experts, academicians, and stakeholders from various fields to share their knowledge and experiences. Key topics discussed during the event included:

- Understanding the difference between sex and gender, and the social construction of gender roles and stereotypes
- Identifying and addressing gender-based discrimination, violence, and inequalities in different spheres of life
- Promoting gender-sensitive communication and representation in media, education, and workplaces
- Empowering women and marginalized communities through education, skill development, and leadership opportunities
- Engaging men and boys as allies in the pursuit of gender equity

The seminar also featured interactive workshops and panel discussions that encouraged participants to actively engage in the discourse and share their perspectives. Participants gained a deeper understanding of the complexities surrounding gender equity and left the seminar with a renewed commitment to work towards creating a more equitable society. The organizers, Sri Krishna Dutt Academy, demonstrated their dedication to promoting gender equality through this seminar. The event served as a platform for meaningful dialogue and the exchange of ideas, ultimately contributing to the ongoing efforts to achieve gender equity in Lucknow and beyond.

REPORT

ON

COUNCELLING SESSION FOR STUDENTS

In the academic year 2021-2022, Sri Krishna Dutt Academy prioritized the mental health and well-being of its students by organizing counseling sessions. These sessions aimed to address various psychological concerns, provide emotional support, and equip students with coping strategies to navigate academic and personal challenges effectively with the objective :-

- To create a safe space for students to express their feelings and concerns.
- To provide individualized support and guidance to students facing academic, personal, or emotional difficulties.
- To promote mental health awareness and destigmatize seeking help for psychological issues.
- To enhance students' resilience and coping skills in managing stress and adversity.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Implementation:

Counseling Staff: The academy collaborated with experienced counselors and psychologists to conduct the counseling sessions. These professionals were trained in addressing a wide range of mental health issues affecting students.

Confidential Sessions: Counseling sessions were conducted in a confidential and non-judgmental environment, ensuring privacy and respect for students' emotions and experiences.

Topics Covered: The counseling sessions covered various topics, including academic stress, time management, peer relationships, family conflicts, anxiety, depression, and self-esteem issues.

Formats: Counseling sessions were offered in multiple formats to cater to different preferences and needs, including individual counseling, group therapy, workshops, and seminars.

Accessibility: Efforts were made to ensure the accessibility of counseling services to all students. This included scheduling sessions at convenient times, providing online counseling options, and promoting awareness of available resources.

Outcomes:

Improved Emotional Well-being: Students reported feeling more supported and understood after participating in counseling sessions. Many expressed relief in having a safe space to discuss their concerns and receive guidance.

Enhanced Coping Skills: Through counseling, students learned practical coping skills and strategies to manage stress, anxiety, and other psychological challenges.

Academic Performance: The provision of mental health support positively impacted students' academic performance, as they were better able to focus on their studies and cope with academic pressures.

Stigma Reduction: The counseling sessions contributed to reducing the stigma associated with seeking help for mental health issues, fostering a culture of openness and support within the school community.

The counseling sessions organized by Sri Krishna Dutt Academy in the academic year 2021-2022 played a vital role in promoting the mental health and well-being of its students. By providing a supportive environment, individualized guidance, and practical coping strategies, the academy helped students navigate the challenges of adolescence and academic life more effectively. Moving forward, continued efforts to prioritize mental health support will be essential in ensuring the holistic development and success of students at Sri Krishna Dutt Academy

Report on

Nukkad Natak on "Covid Awareness and Vaccination"

Introduction:

Date: 22 January 2022

Sri Krishna Dutt Academy, renowned for its commitment to holistic education, orchestrated a powerful initiative to spread COVID-19 awareness within the local community. In an innovative approach, students showcased a Nukkad Natak (street play) aimed at educating and empowering their neighborhood regarding crucial safety measures and precautions amidst the pandemic.

Characters:

The Responsible Citizen: Portrayed as the voice of reason and awareness, this character served as a beacon of knowledge, disseminating vital information about COVID-19 protocols.

The Unaware Neighbor: Representing the segment of society oblivious to the severity of the pandemic, this character underwent a transformation, learning the importance of adhering to safety guidelines.

The Frontline Worker: Acknowledging the sacrifices and dedication of frontline workers, this character served as a reminder of the selfless service rendered in the face of adversity.

Principal
SRI KRISHNA DUTT ACADEMY
ZDIHS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

The Compassionate Samaritan: Exemplifying empathy and community support, this character emphasized the significance of collective responsibility in combating the pandemic.

Key Messages:

The Nukkad Natak effectively communicated several essential messages to the audience:

- Importance of wearing masks, practicing social distancing, and maintaining hand hygiene.
- Recognition of frontline workers and the need for solidarity in supporting their efforts.
- Dispelling myths and misinformation surrounding COVID-19 through factual information.
- Encouraging vaccination and participation in public health initiatives.

Impact and Outreach:

The performance garnered significant attention and engagement from the local community, eliciting positive feedback and fostering dialogue on COVID-19 prevention strategies. By leveraging the accessibility of street theater, the initiative successfully reached a diverse audience, including residents, shopkeepers, and passersby. Moreover, the interactive nature of the Nukkad Natak facilitated open discussions and encouraged audience participation, further reinforcing the dissemination of vital information.

Conclusion:

The Nukkad Natak conducted by Sri Krishna Dutt Academy students stands as a testament to the power of community-driven initiatives in addressing public health challenges. Through creative expression and grassroots engagement, the performance not only raised awareness but also inspired collective action towards combating the COVID-19 pandemic. Moving forward, such endeavors serve as invaluable tools in fostering resilience and unity within society, paving the way for a safer and healthier future.

REPORT ON PLANT DISTRIBUTION AND PLANT ADOPTION

Date: June 5, 2022

On June 5, 2022, Sri Krishna Dutt Academy undertook a significant initiative to promote environmental sustainability and community engagement through a Plant Distribution and Adoption Program in the nearby community. This initiative aimed to enhance green cover, mitigate environmental degradation, and foster a culture of environmental stewardship among community members.

The strategy for the Plant Distribution and Adoption Program encompassed the following key elements:

Plant Procurement: Sri Krishna Dutt Academy procured a diverse range of saplings, including indigenous trees, flowering plants, and medicinal herbs, to cater to the varying preferences and needs of community members.

Distribution and Adoption Process: The academy organized distribution points at accessible locations within the community, where individuals could collect free plants for adoption. Additionally, arrangements were made for interested individuals to adopt plants directly from the academy's premises.

Awareness and Engagement: Prior to the event, promotional activities were undertaken through various channels, including social media platforms, posters, and word-of-mouth, to generate awareness and encourage participation. Informational sessions on plant care and environmental conservation were also conducted to engage and educate community members.

The Plant Distribution and Adoption Program unfolded as follows:

Distribution Points: Volunteers and organizers from Sri Krishna Dutt Academy set up distribution points in strategic locations within the nearby community, ensuring convenient access for residents. Individuals were encouraged to collect plants for adoption, with guidance provided on suitable species and planting techniques.

Adoption Process: Interested individuals had the option to visit the academy's premises to select and adopt plants from a designated area. Academy staff and volunteers facilitated the adoption process, offering guidance on plant selection and care to ensure successful adoption and nurturing of plants.

Community Engagement: The program facilitated meaningful interactions and engagement between academy representatives and community members, fostering a sense of shared responsibility towards environmental conservation and green initiatives.

The Plant Distribution and Adoption Program organized by Sri Krishna Dutt Academy yielded several notable achievements:

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Environmental Impact: The distribution and adoption of plants contributed to the enhancement of green cover and biodiversity in the nearby community, promoting air quality improvement and ecological resilience.

Community Participation: The program elicited enthusiastic participation from community members, including residents, students, and local businesses, highlighting a collective commitment to environmental sustainability and community welfare.

Awareness Generation: Through promotional activities and informational sessions, the program raised awareness about the importance of preserving green spaces, fostering a culture of environmental stewardship and responsible citizenship.

Impact :

The impact of the Plant Distribution and Adoption Program was substantial and multifaceted:

Enhanced Green Spaces: The program significantly augmented green cover and biodiversity in the nearby community, creating aesthetically pleasing and environmentally sustainable landscapes.

Community Empowerment: By facilitating plant adoption and providing guidance on plant care, the program empowered individuals to actively contribute to environmental conservation efforts and take ownership of their surroundings.

Long-term Sustainability: The program laid the groundwork for ongoing community engagement and participation in green initiatives, fostering a legacy of environmental stewardship and sustainable development.

Sri Krishna Dutt Academy's Plant Distribution and Adoption Program on June 5, 2022, exemplified the institution's commitment to environmental conservation and community welfare. Through concerted efforts and enthusiastic participation, the program not only enriched green spaces but also inspired a sense of pride and responsibility among community members who embraced the opportunity to contribute towards a greener and healthier environment.

lives. Topics covered included proper waste disposal methods, segregation of waste, and the importance of sanitation in preventing diseases.

Poster and Slogan Competition: A poster and slogan competition was organized among students and community members to creatively depict the message of Swachh Bharat. Participants showcased their artistic talents while conveying powerful messages about cleanliness and environmental conservation.

Distribution of Educational Materials: Educational materials such as pamphlets, brochures, and flyers containing tips on waste management, sanitation practices, and personal hygiene were distributed among community members to serve as informative resources for promoting cleanliness.

Community Engagement Activities: Various interactive activities, including street plays, skits, and quizzes, were organized to engage community members of all ages and reinforce the importance of maintaining a clean and hygienic environment for overall well-being.

Attendance:

The Swachh Bharat awareness activity witnessed active participation from [insert number] individuals, including students, teachers, residents, and local authorities. The enthusiastic involvement of the community members demonstrated their commitment to promoting cleanliness and hygiene within the neighborhood.

Impact:

The Swachh Bharat awareness activity had a significant impact on the community by fostering a sense of collective responsibility towards maintaining cleanliness and sanitation. By raising awareness and imparting knowledge about hygiene practices, waste management, and environmental conservation, the initiative empowered individuals to take proactive steps towards creating a cleaner and healthier living environment.

Conclusion:

The Swachh Bharat awareness activity organized by Sri Krishna Dutt Academy served as a catalyst for promoting cleanliness, hygiene, and environmental sustainability in the neighborhood community. Through collaborative efforts, community engagement, and educational initiatives, the event contributed to building a culture of cleanliness and instilling values of civic responsibility among residents. Sri Krishna Dutt Academy remains committed to continuing its efforts towards fostering a cleaner and greener society for the well-being of all.

Empowering Women: Menstrual Awareness Campaign in Rural Village

Date: 10-12-2022

In an effort to empower women and break the taboo surrounding menstruation, Sri Krishna Dutt Academy organized a menstrual awareness campaign in the rural village of Ishwari Kheda, Lucknow on 10/12/2022. The campaign aimed to educate women about menstrual hygiene and health, dispel myths, and provide access to necessary resources.

Objectives:

1. Educate women about menstrual hygiene practices.
2. Break the stigma surrounding menstruation.
3. Provide access to menstrual health resources.
4. Empower women to manage their menstrual health confidently.

Activities:

1. Discussions were held to address common misconceptions and myths about menstruation, encouraging open dialogue and dispelling misinformation.
2. Sanitary pads, hygiene kits, and informational pamphlets were distributed to women, ensuring access to essential resources.
3. Interactive sessions engaged participants in activities to enhance understanding and confidence in managing menstrual health.
4. Women had the opportunity to ask questions and seek clarification on topics related to menstruation in a safe and supportive environment.

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS 1, Vrindavan Yojna
Raibareilly Road, Lucknow

Women gained a deeper understanding of menstrual hygiene practices and health, leading to increased awareness and confidence.

Open discussions and myth-busting sessions contributed to reducing the stigma surrounding menstruation within the community.

The distribution of sanitary pads and hygiene kits ensured that women had access to essential resources for managing their menstrual health.

Women felt empowered to take charge of their menstrual health and were equipped with knowledge and resources to do so confidently.

The menstrual awareness campaign organized by Sri Krishna Dutt Academy in Ishwari Kheda, Lucknow was a significant step towards empowering women and promoting menstrual health in the rural community. By providing education, dispelling myths, and offering resources, the campaign has contributed to breaking the taboo surrounding menstruation and empowering women to prioritize their health and well-being.

Introduction:

On April 14, 2023, Sri Krishna Dutt Academy, in collaboration with SKD Hospital, organized a health camp aimed at providing essential medical services and health education to the community. The event took place at the premises of Sri Krishna Dutt Academy and witnessed active participation from both healthcare professionals and community members.

Objectives:

- To provide basic medical check-ups and screenings to community members.
- To raise awareness about common health issues and preventive measures.
- To facilitate access to healthcare services for individuals who may not have regular access to medical facilities.

Activities:

(Signature)
Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Medical Check-ups: A team of doctors and nurses from SKD Hospital conducted medical check-ups for various health parameters, including blood pressure, blood sugar levels, BMI measurements, and general physical examinations.

Screenings: Specialized screenings were provided for common health concerns such as diabetes, hypertension, and vision problems.

Health Education Sessions: Informative sessions were held to educate attendees about the importance of leading a healthy lifestyle, proper nutrition, hygiene practices, and early detection of health issues.

Distribution of Informational Materials: Pamphlets and brochures containing valuable health-related information were distributed among the participants to serve as a reference and guide for maintaining good health.

Participation and Impact:

The health camp attracted a significant number of participants from the local community, including individuals of all age groups.

A total of 112 individuals availed themselves of medical check-ups and screenings, receiving timely advice and recommendations from healthcare professionals.

Through the health education sessions, attendees gained valuable insights into preventive healthcare measures and lifestyle modifications, empowering them to make informed decisions about their health.

Several individuals were identified with previously undetected health issues during the screenings, enabling early intervention and treatment. The collaborative efforts of Sri Krishna Dutt Academy and SKD Hospital fostered a sense of community well-being and highlighted the importance of public-private partnerships in promoting healthcare access and awareness.

ON

MATDAN JAGRUKTA RALLY

Date: May 13, 2023

On May 13, 2023, Sri Krishna Dutt Academy organized a Matdan Jagrukta Rally (Voter Awareness Rally) as part of its civic engagement initiatives. The rally aimed to promote voter awareness, encourage voter participation, and foster a sense of civic responsibility among community members. The event featured a pledge ceremony and a rally conducted in the nearby community.

The strategy for the Matdan Jagrukta Rally comprised the following key components:

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Pledge Ceremony: The rally commenced with a pledge ceremony, wherein participants took an oath to uphold the democratic principles of voting, exercise their right to vote responsibly, and contribute towards strengthening the electoral process.

Rally in the Community: Following the pledge ceremony, a rally was organized in the nearby community, with participants marching through designated routes while carrying banners, placards, and flags bearing messages promoting voter awareness and civic engagement.

Engagement and Outreach: Throughout the rally, volunteers and organizers engaged with community members, disseminating informational materials about the importance of voting, voter registration procedures, and key electoral dates.

The Matdan Jagrukta Rally unfolded as follows:

Pledge Ceremony: Participants gathered at the academy premises to take part in the pledge ceremony, which commenced with an introduction to the significance of voting in a democracy. Attendees recited the pledge in unison, reaffirming their commitment to democratic values and civic duties.

Rally in the Community: Following the pledge ceremony, participants embarked on the rally through the nearby community, chanting slogans and carrying banners with messages advocating for voter awareness and participation. The rally route covered prominent areas within the community, maximizing outreach and visibility.

Engagement and Outreach: Along the rally route, volunteers interacted with residents, distributing informational pamphlets and engaging in conversations to raise awareness about the electoral process and the importance of voting in shaping the future of the community and the nation.

The Matdan Jagrukta Rally organized by Sri Krishna Dutt Academy achieved several significant outcomes:

Increased Voter Awareness: The rally succeeded in raising awareness about the importance of voting and the role of citizens in shaping the democratic process. Participants and community members gained a deeper understanding of their civic responsibilities and the significance of active participation in elections.

Civic Engagement: The rally fostered a sense of civic engagement and empowerment among participants and community members, encouraging them to become more actively involved in the electoral process and exercise their right to vote.

Outreach and Visibility: Through the rally and engagement activities, the academy reached a wide audience within the community, effectively disseminating voter awareness messages and promoting a culture of democratic participation.

Impact Assessment:

The impact of the Matdan Jagrukta Rally was substantial and far-reaching:

Prindipal
SRI KRISHNA DUTT ACADEMY
2D/H/1 Vrindavan Yojna
Raibareilly Road, Lucknow

Empowered Citizens: Participants and community members were empowered with knowledge about the electoral process and their rights as voters, enabling them to make informed decisions and actively participate in democratic governance.

Strengthened Democracy: By promoting voter awareness and engagement, the rally contributed towards strengthening the foundations of democracy, fostering a more inclusive and participatory political landscape.

Sustainable Engagement: The rally laid the groundwork for sustained civic engagement and voter participation, inspiring ongoing initiatives to promote voter awareness and democratic values within the community.

Sri Krishna Dutt Academy's Matdan Jagrukta Rally on May 13, 2023, exemplified the institution's commitment to civic education and democratic values. Through the pledge ceremony, rally, and engagement activities, the academy fostered a culture of voter awareness and civic responsibility, empowering participants and community members to play an active role in shaping the future of their society.

Collaborate with local authorities, civic organizations, and educational institutions to expand outreach and maximize impact in promoting voter awareness and civic engagement.

Leverage digital platforms and social media channels to amplify messaging and reach a broader audience, particularly among youth and first-time voters.

Overall, the Matdan Jagrukta Rally underscored Sri Krishna Dutt Academy's commitment to fostering an informed and engaged citizenry, laying the groundwork for a more vibrant and participatory democracy.

Date: June 5, 2023

On June 5, 2023, Sri Krishna Dutt Academy organized a Plantation Drive as part of its commitment to environmental conservation and community engagement. The drive involved distributing plants in the nearby community by the students of the academy, aiming to enhance green cover, mitigate environmental degradation, and instill a sense of environmental stewardship among community members.

The Plantation Drive was strategically planned with the following key components:

Plant Procurement: Sri Krishna Dutt Academy procured a diverse range of saplings, including indigenous trees, flowering plants, and medicinal herbs, to cater to the varying preferences and ecological needs of the community.

Student Involvement: Students from the academy were actively involved in the distribution process, taking on roles as volunteers and ambassadors for environmental conservation. This not only facilitated hands-on learning but also instilled a sense of responsibility and ownership among students towards environmental stewardship.

Principal
SRI KRISHNA DUTT ACADEMY
2D/H¹ Vrindavan Yojna
Raibareilly Road, Lucknow

Community Outreach: Prior to the event, promotional activities were conducted to generate awareness and mobilize community participation. Flyers, posters, and announcements were disseminated through various channels to encourage residents to participate in the Plantation Drive and contribute towards a greener community.

The Plantation Drive unfolded as follows:

Distribution Points: Students and volunteers from Sri Krishna Dutt Academy set up distribution points in strategic locations within the nearby community, ensuring accessibility for residents. Each distribution point was equipped with a variety of saplings and informational materials to facilitate informed choices by recipients.

Student-Led Distribution: Students enthusiastically engaged with community members, distributing plants and providing guidance on suitable species selection, planting techniques, and care instructions. Through interactive discussions, students raised awareness about the benefits of planting trees and the importance of environmental conservation.

Community Participation: Residents actively participated in the Plantation Drive, expressing appreciation for the initiative and demonstrating a keen interest in nurturing green spaces within their surroundings. The drive fostered a sense of camaraderie and collective responsibility towards environmental sustainability.

Key Achievements:

The Plantation Drive organized by Sri Krishna Dutt Academy yielded several noteworthy achievements:

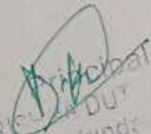

Enhanced Green Cover: The distribution of plants contributed to the enhancement of green cover and biodiversity in the nearby community, beautifying landscapes and promoting ecological balance.

Student Engagement: The active involvement of students in the distribution process fostered leadership skills, environmental awareness, and a sense of civic responsibility among the younger generation.

Community Empowerment: The Plantation Drive empowered community members to actively participate in environmental conservation efforts, fostering a sense of ownership and pride in nurturing green spaces within their locality.

The impact of the Plantation Drive was significant and multifaceted:

Environmental Sustainability: The distribution of plants and engagement of community members contributed towards environmental sustainability, laying the groundwork for a healthier and more resilient ecosystem.

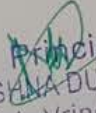

SRI KRISHNA DUTT ACADEMY
2D/1 /Indra
Raibareilly Road, Lucknow

Educational Value: The drive provided valuable experiential learning opportunities for students, promoting a deeper understanding of environmental issues and the importance of collective action in addressing them.

Community Cohesion: The Plantation Drive fostered community cohesion and collaboration, strengthening social ties and reinforcing a shared commitment to environmental stewardship.

Sri Krishna Dutt Academy's Plantation Drive on June 5, 2023, exemplified the institution's dedication to environmental conservation and community empowerment. Through student-led initiatives and community engagement, the drive not only enriched green spaces but also nurtured a culture of environmental responsibility and collective action towards building a sustainable future.

NUKKAD NATAK (CONCERN TOWARDS RISING POPULATION)

Principal
SRI KRISHNA DUTT ACADEMY
2D/HS-1, Vrindavan Yojna
Raibareilly Road, Lucknow

Date: July 11, 2023

Sri Krishna Dutt Academy celebrated World Population Day on July 11, 2023, with a thought-provoking Nukkad Natak (Street Play) performed by students. The theme of the Nukkad Natak was "Indian Program to Control Population by 2050," aimed at raising awareness about the challenges and solutions related to population control in India.

Nukkad Natak Summary:

The Nukkad Natak portrayed the socio-economic implications of population growth in India and highlighted the urgent need for effective population control measures. The storyline revolved around a family facing the consequences of overpopulation, including limited resources, unemployment, poverty, and inadequate healthcare services. Through engaging dialogues, characters portrayed the various perspectives on population control, including the importance of family planning, education, and women's empowerment.

The Nukkad Natak also showcased the initiatives and policies implemented by the Indian government to address population growth, such as the promotion of family planning services, incentives for small families, and awareness campaigns. The characters depicted the role of community participation and individual responsibility in achieving the goal of population stabilization by 2050.

Key Messages:

- Understanding the challenges posed by population growth on socio-economic development.
- Advocating for family planning and reproductive health services as essential components of population control.
- Promoting education and women's empowerment as key strategies for reducing fertility rates.
- Highlighting the importance of government policies and programs in supporting population control efforts.

Emphasizing the role of community involvement and individual responsibility in achieving population stabilization.

The Nukkad Natak on World Population Day at Sri Krishna Dutt Academy effectively conveyed the importance of addressing population growth through concerted efforts at the individual, community, and governmental levels. Through powerful storytelling and engaging performances, students raised awareness about the challenges and solutions related to population control in India. The Nukkad Natak served as a catalyst for dialogue and action towards achieving a sustainable population size and ensuring a better future for all.
